amakuna The gripping story includes mystical visions shamanic rituals past lives an ancient lineage of medicine women love betrayal conspiracies and murder Set concurrently in modern times and in 1492 during the Conquistadors takeover of the Canary Islands 1492 For millennia the medicine women of the Guanches the indigenous people on the Canary Island of La Palma have used a psychotropic mushroom to look into the past and the future But the mushroom has other sacred powers It can cure disease or injury and it links the fate of those who consume it across all eternity These secret powers are closely guarded by the medicine women for they can foresee the destructive forces that would be unleashed if the sacred mushroom fell into the wrong hands Present day Romy a young doctor at a biomedical research company sets out alone on a rock climbing trek near her home in Germany Halfway through her climb an unusual panic overtakes her and she blacks out as she falls more than 25 feet from the face of a cliff Coming to hours later she finds herself in a cave remarkably unscathed with a strange taste in her mouth as well as a vivid recollection of an ancient ritual centered on a sacred mushroom called amakuna Plagued by visions from the amakuna ceremony including the death of an old medicine woman under a peculiar looking tree and the appointment of a young apprentice Iriom to take her place Romy begins to feel as if Iriom is trying to contact her across the centuries Identifying the tree from the visions as a Canarian Dragon Tree she heads to the Canary Island of La Palma to discover the truth behind her visions and her and Iriom s intertwined fates In the heart of the island s volcanic crater she discovers the reality of the strange mushroom and its magical all healing all seeing powers She brings some of the mushroom back to Germany and experiments with it leading to repeated flashbacks of Iriom s life But pharmaceutical mega corporations are already in hot pursuit of her and will stop at nothing to take possession of the amakuna not even murder As Romy and Iriom s lives continue to parallel across the centuries they both find themselves in love with powerful men pregnant far from home and in danger But while Iriom s fate is in the past and sealed Romy s has not yet been decided nor has the fate of the mushroom which she learns has the power to either destroy life or preserve it Will Romy be able to protect the powerful amakuna secret as generations of medicine women have done before her Or will she fall victim to betrayal as Iriom did and be forced to destroy the sacred mushroom before it can destroy the planet **Boys'**
