 organizations institutions special resources and websites can help me Where do I write or phone or send e mail Once again  
 Elizabeth Bentley's Address Book answers these questions and more Now in its 6th edition The Genealogist's Address Book  
 gives you access to all the key sources of genealogical information providing names addresses phone numbers fax numbers e

Hillsborough County, New Hampshire Court Records, 1772-1799 Pauline Johnson  
 Oesterlin, 1996 More than 8 000 Hillsborough County court records spanning 1772 to 1799 have been abstracted for this  
 index The data are important not only for purposes of genealogical research and as a history of litigation but also for the  
 picture of the New England community and its trades and commerce which these records provide The book is divided into  
 several sections Individuals Institutions and Other Assorted Records and Warnings Out within each records have been  
 abstracted in index form alphabetically by plaintiff name The order of elements within these records is plaintiff's name  
 occupation title and residence defendant's name occupation title and residence document date date of recording cause of  
 action file number a reference to the original archive and notations Not all records contain all this information In some cases  
 when the record is of a judgment or court order there is no plaintiff thus the indexed name is the first or only name given The  
 introductory material includes a brief glossary of titles occupations and legal processes to aid researchers unfamiliar with  
 these terms and the last section of the book is an index of buried surnames The publication of this index will only enhance the  
 accessibility of these court records and hence their value An index to buried names gives access to those people associated  
 with the primary alphabetized individual
