Durable Peace Israel And Its Place Among The Nations:

A Durable Peace Benjamin Netanyahu, 2009-10-14 This examination of the Middle East's troubled history traces the origins development and politics of Israel's relationship with the Arab world and the West It argues that peace with the Palestinians will leave Israel vulnerable to Iraq and Iran Bibi Anshel Pfeffer, 2018 For many in Israel and elsewhere Benjamin Netanyahu is anathema an embarrassment yet he continues to dominate Israeli public life How can we explain his rise his hold on Israeli politics and his outsized role on the world's stage In Bibi Anshel Pfeffer reveals the formative influence of Netanyahu's father and grandfather who bequeathed to him a once marginal brand of Zionism combining Jewish nationalism with religious traditionalism In the Zionist enterprise Netanyahu embodies the triumph of the underdogs over the secular liberals who founded the nation Netanyahu's Israel is a hybrid of ancient phobia and high tech hope of tribalism and globalism just like the man himself We cannot understand Israel today without first understanding the man who leads it

Balancing Act Vaughn P. Shannon, 2020-07-24 Vaughn P Shannon argues that US foreign policy toward the Arab Israeli conflict has been determined at three levels of analysis that of systemic strategic context that of domestic politics and that of individual decision makers In this book he explores the role of each level of influence as well as the implications for the posture which the US has chosen Reflecting changing circumstances the volume examines the Cold War the Gulf War and the new War on Terror and how they have each placed differing pressures on US policymakers as they strive to maintain the ultimate strategic goal of preserving regional oil from becoming dominated by hostile forces It is suitable for courses on American foreign policy world politics and politics of the Middle East *Negotiated Risks* Rudolf Avenhaus, Gunnar Sjöstedt, 2009-04-28 The International Institute for Applied Systems Analysis IIASA has had risk as a research topic on its agenda right from its inception in 1972 Risk has played a jor role in the Energy Program with research being carried out both in house and in cooperation with other international institutions like the International Atomic Energy Agency IAEA and national research centers Research areas were primarily the evaluation of all possible risks within one category of energy supply like nuclear ssion or fusion or fossil fuels and even more important the comparison of risks of different energy supply strategies Later on an independent program was started which still exists today under the name Risk and Vulnerability There is a large amount of literature on risks to which IIASA s research programs have contributed signi cantly over the years and there is of course an abundance of published work on international negotiations part of which is a result of the work of the Processes of International Negotiation PIN Program There are however so far no studies on the combination of these two strands Therefore and as research on both topics is housed at IIASA we are happy that our PIN Program has undertaken the dif cult and important task of analyzing what the editors of this book have called negotiated risks *The Roots of Terrorism in Israel and Palestine* Geoffrey Victor Whitfield, 2007 This book attempts to show how the misunderstanding of the Abrahamic Covenant is a major difficulty in resolving the conflicts between Jews Christians and Muslims in Palestine and Israel The Jewish Spectator , 2001 The Israeli-Egyptian Peace Process in the Reporting of Western Journalists Muḥammad ibn ‘Abd al-Ghanī Nawāwī, Mohammed el-Nawawy, 2002-01-30 Annotation Examines through the eyes of Western correspondents the political and cultural issues surrounding the Arab Israeli conflict **Jewish Political Studies Review** , 2003 *Index Islamicus* , 2007 The Jewish Year Book 2009 Stephen W. from Israel Greg Philo, Mike Berry, 2004-06-20 This superb study is extensive in scope and scrupulously fair It will be a landmark Edward S Herman co author with Noam Chomsky of Manufacturing Consent Coverage of the Israeli Palestinian conflict is often dangerously superficial Bad News from Israel is a strong contribution to scholarship and public debate John D H Downing Director Global Media Research Center Southern Illinois University The book covers a lot of ground in a clear and readable manner and is particularly good at airing different views about the Arab Israeli conflict Professor Avi Shlaim St Antony's College University of Oxford A remarkable book Professor Lucrecia Escudero Chauvel Universit de Lille III and Paris VIII Just about everything that we know about Israel Palestine comes to us from our television screens Bad News from Israel reveals remarkable levels of ignorance about what and why things are as they are What's more the analysis offered here strongly suggests that the media are intimately linked to the perpetuation of this unhappy situation Professor Frank Webster City University London Based on rigorous research by the world renowned Glasgow University Media Group this authoritative book examines media coverage of the current conflict in the Middle East and the impact it has on public opinion For the first time the book brings together senior journalists and ordinary viewers to examine how audiences understand the news and how public belief and opinion have been shaped by media reporting In the largest study ever undertaken in this area the authors focus on television news They illustrate major differences in the way Israelis and Palestinians are represented including how casualties are shown and the presentation of the motives and rationales of both sides They combine this with an extensive audience study involving hundreds of participants from the USA Britain and Germany It shows extraordinary differences in levels of knowledge and understanding especially amongst young people from these countries The book explores the processes that shape the news It looks at patterns of ownership and at how public relations information control and the close political links between the USA and Britain affect what we see and hear in the media The authors set the study in context by providing a history of the present crisis from the period of the British mandate in Palestine through to the Oslo and Wye Accords and the intifadas

Taking Sides John T. Rourke, 2002 Presents opposing viewpoints on eighteen controversial issues in world politics covering global trends military security and intervention international law and organization economic and regional topics and normative social and environmental issues

Global Dialogue, 2007

The Israeli-Palestinian Conflict Raja Halwani, Tomis Kapitan, 2008-01-15 This book addresses the ongoing conflict among Israeli Jews and Palestinian Arabs from a philosophical perspective The authors argue that by ignoring justice and failing to address violations of rights including the rights of Palestinians and Israelis for self determination in historic Palestine the rights of Palestinian refugees for repatriation and the rights of both Palestinians and Israelis to live securely and freely then a lasting solution to the conflict will remain elusive
