Jones, 2022-08-01 When you look in the mirror and begin examining the concept of the image that is being portrayed back at you what do you see This question is one that perhaps everyone encounters in life The difference is some look at the image and submit to it others look at the image and become depressed by it while few look at the image and say to themselves I ve got to do some reconstruction because this is not who I see myself to be No matter which category you are in I declare to you that there is help for you and despite what people may have told you this help is closer than you think The truth of the matter is that we all have these preconceived images of who it is that we would like to be but many times they get clouded or misconstrued as life goes on How People are the primary factor They speak things about you that are not true they speak things over you of which they have no clue or they speak things to you which impacts what you do Then there are life s obstacles that weigh in attempting to weigh you down as

a means of preventing you from becoming who you were created to be Through it all ask yourself these two questions Are you ready to change the course of your life Are you ready to be the best you that God created you to be If so join Kean R Jones as he provides the foundation and framework of how to Discover Your True Identity More than just a book it s an adventure that will challenge your current mindset while encouraging you to embrace your pre ordained pre destined and God given Identity Let s ride
