Durban 1942 A British Troopship Revolt:

Durban 1942 Gerry R. Rubin,1992 **The British Empire and the Second World War** Ashley Jackson,2006-03-09 In 1939 Hitler went to war not just with Great Britain he also went to war with the whole of the British Empire the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result The war in the desert the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies communications and troops all reflect the strategic importance of Britain s imperial status Men and women not only from Australia New Zealand and India but from many parts of Africa and the Middle East all played their part Winston Churchill saw the war throughout in imperial terms The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten **The China-Burma-India Campaign, 1931-1945** Eugene L. Rasor,1998-03-19 The China Burma India campaign of the Asian Pacific war of World War II was the most complex if not the most controversial theater of the entire war Guerrilla warfare commando and special intelligence operations and air tactics originated here The literature is extensive and this book provides an evaluative survey of that vast literature A comprehensive compilation of some 1 500 titles the work includes a narrative historiographical overview and an annotated bibliography of the titles covered in the historiographical section Following an introductory historical essay and a chronology the historiographical narrative covers land water underwater air and combined operations intelligence matters diplomacy and logistics and supply It also examines the memoirs diaries autobiographies and biographies of the personnel involved Such cultural topics as journalism fiction film and art are analyzed and existing gaps in the literature are looked at The bibliography provides both descriptive and evaluative annotations **Fighting for Britain** David Killingray,2012 Based mainly on oral evidence and soldiers letters tells the story of over half a million African troops who served with the British Army in campaigns in the Horn of Africa the Middle East Italy and Burma Looks at the impact of army life and travel on the men and their families and the role of ex servicemen in post war nationalist politics **Soldier, Sailor, Beggarman, Thief** Clive Emsley,2013-01-24 The first serious investigation of criminal offending by members of the British armed forces both during and immediately after the two world wars of the twentieth century **The 1964 Army Mutinies and the Making of Modern East Africa** Timothy Parsons,2003-03-30 This book provides a new concept framework for understanding the factors that lead soldiers to challenge civil authority in developing nations By exploring the causes and effects of the 1964 East African army mutinies it provides novel insights into the nature of institutional violence aggression and military unrest in former colonial societies The study integrates history and the social sciences by using detailed empirical data on the soldiers protests in Tanganyika Uganda and Kenya The roots of the 1964 army mutinies in Tanganyika Uganda and Kenya were firmly rooted in the colonial

past when economic and strategic necessity forced the former British territorial governments to rely on Africans for defense and internal security As the only group in colonial society with access to weapons and military training the African soldiery was a potential threat to the security of British rule Colonial authorities maintained control over African soldiers by balancing the significant rewards of military service with social isolation harsh discipline and close political surveillance After independence civilian pay levels out paced army wages thereby tarnishing the prestige of military service As compensation veteran African soldiers expected commissions and improved terms of service when the new governments Africanized the civil service They grew increasingly upset when African politicians proved unwilling and unable to meet their demands Yet the creation of new democratic societies removed most of the restrictive regulations that had disciplined colonial African soldiers Lacking the financial resources and military expertise to create new armies the independent African governments had to retain the basic structure and character of the inherited armies Soldiers in Tanganyika Uganda and Kenya mutinied in rapid succession during the last week of January 1964 because their governments could no longer maintain the delicate balance of coercion and concessions that had kept the colonial soldiery in check The East African mutinies demonstrate that the propensity of an African army to challenge civil authority was directly tied to its degree of integration into postcolonial society

Selected Acquisitions Robert Crown Law Library,1992 **The African Rank-and-file** Timothy Parsons,1999 Why did East Africans in the King s African Rifles serve a foreign power By examining the military experiences of African soldiers the author reveals the tensions and contradictions of British colonial rule **The Royal Navy in World War II** Derek G. Law,2003 The Royal Navy in World War II is a comprehensive annotated bibliography of all monographs describing the role of British Dominion and minor allied forces in the naval war against the Axis This second edition contains 1 400 more entries than its predecessor and although mainly concerned with the Royal Navy it does offer extensive coverage on the Dominion Navies of Australia Canada India and South Africa as well as the minor allied navies of the occupied European countries Coverage of the US Navy s involvement in the Atlantic and Caribbean Theaters is also included A wonderful reference for historians librarians and navy buffs **Soldiers, Airmen, Spies, and Whisperers** Nancy Ellen Lawler,2002 The Gold Coast became important to the Allied war effort in WWII necessitating the creation of elaborate propaganda and espionage networks the activities of which ranged from rumor mongering to smuggling and sabotage **Sea Breezes** ,1993
