Durham City A History:

Durham Martin Dufferwiel, 2011-11-25 The historic City of Durham is now over 1 000 years old With its magnificent Norman Cathedral and Castle it has become a world famous tourist attraction the outstanding importance of which was recognised in 1987 when it was designated by UNESCO as a World Heritage site Martin Dufferwiel's book is a celebration of this unique City and of the Country that has grown up around it from the day in AD 995 when a group of monks carrying the coffin of St Cuthbert settled on what was then known as the Dunholm to the present time From the original site on the high wooded rock a settlement began to take shape It was one which would be swelled by pilgrims and made wealthy by their offerings and which would eventually become one of the most important sites of religious pilgrimage and military power in England Many events and people have throughout the last millennium lit up the long story of Durham in both fact and fable This book recalls some of them Wars saints kings and mythical beasts are all included in this tale of over 1 000 years as are surveyors locomotive engineers and miners It is all here from the long sagas of the Wars of the Roses and the English Civil War to the legendary Lampton Worm from Canute the Great Viking Emperor to murder most foul at Gutty Throat Farm and from the ravages of William the Conqueror to the bizarre plan to turn Durham City into a port Steam locomotives for the Tsar of Russia and Dixieland in the USA both had their origins here in Durham and both feature in this book History of the Riverbanks [at Durham City], 1993
