

# Dynamic Verbs in English

## What is a Dynamic Verb?

Dynamic verbs are action words that **express physical or mental activities**. They show that something is happening and are often used to describe actions, emotions, changes, and states. These verbs are also known as **action verbs**.

## How to use?

1. To form a sentence using a dynamic verb, you need to understand the verb's tense and conjugate it accordingly.
2. Dynamic verbs can also be used in the passive voice, which is a form of sentence structure where the subject of the sentence is not performing the action of the verb.

## Types of Dynamic Verbs

### Transitive verb

has a direct object, in other words, the person or thing that is affected by the verb.

### Intransitive verb

doesn't have a direct object, and they describe activities that do not involve a person or thing.

## Dynamic Verbs List

- |        |         |         |         |
