Dynamics Of Chinas Rejuvenation:

The Dynamics of China's Rejuvenation J. Huang, 2004-06-29 The last two and a half decades witnessed China's epoch making economic growth and great social changes which indicates the commence of China's national rejuvenation after a near two centuries long stagnant or backward period In exploring the causal dynamics of China's rejuvenation Huang's book examines the internal and external elements from various sides in both the comprehensive way and the separate way thus providing a convincing explanation about the driving force of China's marvellous development **Asia-Pacific Security**

Dynamics S. Mahmud Ali, 2025-01-22 This book examines the causes and consequences of the dramatic shift in Japanese national security perspectives and mutually exclusive policies toward China and the USA It sheds new light on the changing trajectories of triadic dynamics shaping U S China Japan strategic insecurity their historical roots its implications for trans Pacific peace and stability and their potential influence on emerging regional and systemic security architectures Against the backdrop of U S proclaimed great power competition with China as the defining feature and organizing principle of the U S led coalition's strategic and geopolitical responses to China's national rejuvenation with primacy's displacement anxiety triggering a systemic transitional fluidity the book examines the origins and outcomes of Sino Japanese insecurity its polarizing effects on U S China and U S Japan relations and the wider systemic resonances and dissonances as the post Cold War unipolar systemic structure gives way to an uncertain ambiguous and imprecise successor regime Finally historical lessons drawn from primary documents are used to illuminate the prospects for triangular relations in shaping the Asia Pacific security ecology over the medium term Buddhist Revitalization and Chinese Religions in Malaysia Lee

Tan, 2025-10-01 Buddhist Revitalization and Chinese Religions in Malaysia tells the story of how a minority community comes to grips with the challenges of modernity history globalization and cultural assertion in an ever changing Malaysia It captures the religious connection transformation and tension within a complex traditional belief system in a multi religious society In particular the book revolves around a discussion on the religious revitalization of Chinese Buddhism in modern Malaysia This Buddhist revitalization movement is intertwined with various forces such as colonialism religious transnationalism and global capitalism Reformist Buddhists have helped to remake Malaysia's urban dwelling Chinese community and have provided an exit option in the Malay and Muslim majority nation state As Malaysia modernizes there have been increasing efforts by certain segments of the country's ethnic Chinese Buddhist population to separate Buddhism from popular Chinese religions Nevertheless these reformist groups face counterforces from traditional Chinese religionists within the context of the cultural complexity of the Chinese belief system How Australia is Studied in China Richard Hu, Diane Hu, 2024-04-29 China has arguably the largest community of Australian studies in the world However not much is known about this phenomenon including its emergence rationale interests influences and the implications for strategic Australia China engagement in a region of increasing challenge and uncertainty This volume unpacks how Australia is taught

learnt researched communicated and promoted in the Asian giant as well as its largest trade partner In doing so it penetrates the representation and essence of this phenomenon to seek both the Australianness and the Chineseness in it This volume collects contributions from a group of leading and emerging Chinese and Australian scholars who are members and insiders of this community to jointly debate on this intellectual entity and its significant influences and implications Produced at a critical moment of commemorating half a century of China Australia diplomatic relations and four decades of formalised Australian studies in China this volume provides an up to date comprehensive and insightful examination of this Australia China engagement It will be of interest to scholars students policymakers and general readers in areas of Australian studies Chinese studies Asia Pacific studies China Australia relations and international relations
