Powerful Finance and Innovation Trends in a High-Risk Economy Blandine Laperche,Dimitri Uzunidis,2008-02-27 In the 1970s the large size of enterprises was one of the symbols of the mass production system s rigidity The second symbol was state interventionism blamed for the economic difficulties of the period growing unemployment and upsurge of inflation Globalisation is characterised by the predominance of deregulated finance big finance over economic activities Between free enterprise capitalism and monopoly capitalism stands finance based capitalism The financial sphere is mobilised to promote variety and reinforce selection This book presents in its first part the financial determinants of innovation processes considered in a macro economic perspective which are limited by short term constraints and studies in its second part the linkages existing between the necessity to innovate in order to survive and the constant attention given to financial results

Digital Public Relations and Marketing Communication Trends in Africa Anne W. Njathi,Brandi Watkins,2024-06-07 The uptake of digital media platforms necessitates the need to understand how digital cultures of consumers and brands are unfolding Despite the increase in usage and adoption of the internet in Africa there is limited information about digital marketing trends on the continent This book is among the first to present an edited collection of chapters on digital and influencer

marketing authored by many who are either from or have close ties to Africa This book showcases digital marketing trends in Africa that are burgeoning at the same speed as the uptake of technology in the continent With this in mind the contributors seek to interrogate digital marketing trends in two stages the status of digital marketing on the African continent including cases from Nigeria Egypt Uganda and Kenya and an analysis of the rise of influencer marketing including cases from Nigeria and Uganda This book will explore factors driving the increase in digital media platforms in Africa as well as an analysis of the implications of the growth in digital marketing using various theoretical and methodological underpinnings to probe trends Digital Public Relations and Marketing Communication Trends in Africa provides significant implications for marketing scholars and researchers and will be relevant to those looking to understand the opportunities and challenges ahead *Restaurant Economic Trends* ,1999 **Trends** ,1946 **Ukrainian Economic Trends, Monthly Update** ,1998
