Artificial Intelligence and Its Practical Applications in the Digital Economy Yahya Mohamed Elhadj, Mohamedade Farouk Nanne, Anis Koubaa, Farid Meziane, Mohamed Deriche, 2024-12-17 Artificial Intelligence AI technologies hold immense promise for developing countries by offering innovative solutions to longstanding challenges. By leveraging AI in health care, education, economic development, infrastructure, and resource management, these countries can potentially leapfrog traditional development stages and improve the quality of life for their populations. However, it is essential to approach AI deployment with ethical considerations to ensure that the technology serves the best interests of these communities and thus to maximize the expected benefits. The I2COMSAPP 24 International Conference on Artificial Intelligence and its Applications in the Age of Digital Transformation aims to provide an excellent opportunity to gather experts, researchers, practitioners, and innovators from various fields to explore the latest advancements, challenges, and practical implementations of artificial intelligence and machine learning (ML) technologies. Moreover, it aims to foster knowledge sharing, collaboration, and networking among professionals who are driving responsible and innovative use of AI and leveraging real-world applications for the betterment of society and industries.

**Best Practices and Strategies for Online Instructors: Insights From Higher Education Online Faculty** Doyle, Lori B., Tarbuton, Tanya M., 2024-11-15 Online higher education is on the rise, and experienced instructors can play a pivotal role in supporting this key sector by sharing effective evidence-based practices and strategies. By mentoring less experienced faculty, they can help ensure that online courses are engaging, accessible, and aligned with high academic standards. Their insights are invaluable for building a strong, adaptable online education environment that meets diverse student needs and fosters academic success. **Best Practices and Strategies for Online Instructors: Insights From Higher Education Online Faculty** serves as a collection of best practices and strategies as described by online faculty working in higher education. It discusses challenges specific to teaching in the online classroom and actionable steps for integrating best practices. Covering topics such as adult online learners, higher education institutions (HEIs), and virtual environments, this book is an excellent resource for higher education faculty, educators, administrators, policymakers, and more.
