Advances in Information and Communication Kohei Arai, 2024-03-20 The book is a valuable collection of papers presented in the Future of Information and Communications Conference FICC conducted by Science and Information Organization on 4-5 April 2024 in Berlin. It received a total of 401 paper submissions, out of which 139 are published after careful double-blind peer review. Renowned and budding scholars, academics, and distinguished members of the industry assembled under one roof to share their breakthrough research, providing answers to many complex problems boggling the world. The topics fanned across various fields involving Communication, Data Science, Ambient Intelligence, Networking, Computing, Security, and Privacy. *Harnessing AI, Machine Learning, and IoT for Intelligent Business* Allam Hamdan, Udo Braendle, 2024-10-15 This book addresses the growing need for understanding the practical implications of these technologies in the context of financial management. The convergence of AI, ML, and IoT has revolutionized various industries, and business management and finance are no exceptions. This book equips both academics and industry professionals with the knowledge and tools necessary to navigate the changing landscape and effectively harness these technologies to gain a competitive edge. *Intelligent Business* is a comprehensive guide that explores the integration of artificial intelligence (AI), machine learning (ML), and the Internet of Things (IoT) in the realm of business management and finance. This book delves into the transformative potential of these technologies and provides valuable insights into their application in decision making, risk management, financial analysis, and strategic planning. It offers a holistic perspective on how organizations can leverage AI, ML, and IoT to drive innovation, enhance operational efficiency, and achieve sustainable growth in the digital age.

Managing Sport Events T. Christopher Greenwell, Leigh Ann Danzey-Bussell, David J. Shonk, 2024-06-26 Running a sport event, whether it's an international competition or local youth tournament, requires acute knowledge and the ability to plan, organize, promote, lead, and communicate effectively. And no other text prepares students for the task as effectively as *Managing Sport Events*, Third Edition, with HKPropel Access. While other texts in this space stray into the area of facility management, *Managing Sport Events* keeps its focus where it should be: by providing a thorough grounding of the entire event management process. Beginning with an overview of event conception and development, the text then moves into the principal planning areas of budgeting, marketing, promotion, sponsorships, and legal and risk management. Later chapters focus on key operational areas such as staffing, event services, and logistics, and event day management, and it closes with postevent details and evaluation. The third edition includes new and updated content that incorporates plenty of contemporary real-life examples, insights into how event management has been affected by COVID-19, and by the emergence of social media, sustainability efforts, and diversity, equity, and inclusion (DEI) initiatives. All new content addresses the role of brand ambassadors, social media influencers, and nontraditional media in promoting events and encouraging fan engagement. An updated discussion of event sponsorships and how sport organizations are implementing creative activation strategies pre-

event and game day deliverables and the latest technologies to maximize exposure and measure effectiveness An expanded discussion of contracts and other legal considerations such as compliance with the Americans with Disabilities Act ADA An expanded section outlining how principles of project management can be used to effectively plan events New industry profiles that provide insights into key players and noteworthy happenings in event management Related online activities delivered through HKPropel provide robust learning opportunities for students A brand new semester long project in which students plan prepare produce and evaluate a fictional pickleball tournament as well as compile a formal event management plan handbook Scenario based activities in which students make a decision and then see the implications of their choice Mini case studies for each chapter with questions to test comprehension Sample contracts that represent common agreements encountered in event management Practicing and aspiring professionals working in parks and recreation tourism hospitality and sport organizations at all levels youth high school college amateur minor league professional and international will find this book a valuable reference in their roles as event managers Blending traditional business tenets of sport management with the distinct aspects of event management Managing Sport Events Third Edition prepares readers to manage events with efficiency and ease so that fans and participants alike have lasting game day memories Note A code for accessing HKPropel is not included with this ebook but may be purchased separately **Project-Based Learning+** Jorge Valenzuela,2025-07-15
