**Mom Minus Dad: The Essential Resource Guide for Busy Adults with a Newly Widowed Parent** Jamieson Haverkamp, 2008-05-09 Mom Minus Dad is the only resource guide available with more than 500 resources for adults who lose a parent and need to assist a newly widowed parent. The book provides readers with practical advice on ten major parent loss topics along with more than 500 valuable and time saving resources including Web sites, companies, government resources, U S laws, books, and nonprofit organizations to assist the approximately twelve million sons and daughters who lose a parent every year. Each section provides online and book resources and simple practical solutions to common problems from finding affordable counseling to building new budgets for the widowed parent to managing changing family dynamics. Each chapter reveals ideas, relevant insights from the author's personal experience, questions to consider, and additional resources to find specific assistance. The author of Mom Minus Dad gleaned intimate knowledge of balancing her own life with a newly widowed parent. Ms Haverkamp assisted her fifty six year old widowed mother in Virginia while still running her real estate business in California after the early unpredicted loss of her father to cancer. In her groundbreaking book Haverkamp shares how she and her sister both in their early thirties found success and managed struggles during their journey after their father's death. This is a reference guide grievers will refer to during the year after loss and years beyond.

*The New Dad's Survival Guide* Scott Mactavish, 2024-09-24 Fatherhood demystified. Finally a manual for new dads that deciphers the immensely confusing world of fatherhood and gives crucial tips and advice from a man's point of view. *Good Guys* David G. Smith, W. Brad Johnson, 2020-10-13 The key to advancing gender equality. Men and Women are at a disadvantage. At home they often face an unequal division of household chores and childcare, and in the workplace they deal with lower pay, lack of credit for their contributions, roadblocks to promotion, sexual harassment, and more. And while organizations are looking to address these issues, too many gender inclusion initiatives focus on how women themselves should respond, reinforcing the perception that these are women's issues and that men, often the most influential stakeholders in an organization, don't need to be involved. Gender in the workplace experts David G. Smith and W. Brad Johnson counter this perception. In this important book they show that men have a crucial role to play in promoting gender

equality at work Research shows that when men are deliberately engaged in gender inclusion programs 96 percent of women in those organizations perceive real progress in gender equality compared with only 30 percent of women in organizations without strong male engagement Good Guys is the first practical research based guide for how to be a male ally to women in the workplace Filled with firsthand accounts from both men and women and tips for getting started the book shows how men can partner with their female colleagues to advance women s leadership and equality by breaking ingrained gender stereotypes overcoming unconscious biases developing and supporting the talented women around them and creating productive and respectful working relationships with women **Country Guide and Nor'west Farmer** ,1927

Contemporary fathering Brigid Featherstone,2009-04-15 Since 1997 child welfare services have been faced with new demands to engage fathers or develop father inclusive services This book emerges from work by the author as a researcher and educator over many years on the issues posed by this agenda for child welfare practitioners in a variety of contexts In locating fathers fathering and fatherhood within a historical and social landscape the book addresses issues seldom taken up in practice settings It explores diversity and complexity in fathering in different disciplines such as psychoanalysis sociology and psychology and analyses contemporary developments in social policies and welfare practices The author employs a feminist perspective to highlight the opportunities and dangers in contemporary developments for those wishing to advance gender equity A key strength of the book is its inter disciplinary focus It will be required reading for students graduate and postgraduate of social work social policy sociology and child and family studies Academic researchers will also find the book invaluable because of its breadth of scholarship **Good Housekeeping** ,1923 **Best Life** ,2008-04 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life **The Spectator** ,1924 InfoWorld ,1994-06-27 InfoWorld is targeted to Senior IT professionals
