Nitza Rivera,2025-02-26 In *Career by Design* author Nitza Rivera offers a transformative guide for professionals seeking fulfillment and agency in their careers in today's dynamic professional world. Driven by her own experiences of job loss and reinvention, she combines decades of corporate expertise with a coaching methodology rooted in introspection and values alignment. This guide presents a structured introspective process to help you uncover your values, strengths, and aspirations while redefining success on your own terms. Each chapter builds on essential elements, exploring career archetypes, setting holistic goals, and designing actionable growth plans to enable you to proactively shape a career that aligns with your unique purpose and fosters resilience and joy. Through practical tools, coaching questions, and design thinking principles, *Career by Design* empowers you to create a sustainable, meaningful path forward in your career, steering away from burnout and toward a purposeful, values-driven professional life. *Social Structure Adaptation to COVID-19* Suresh Nanwani, William

Loxley,2024-03-19 *Social Structure Adaptation to COVID-19* offers global interdisciplinary perspectives that examine how the COVID-19 pandemic has altered the development trajectory of schools, public health, the workforce, and technology adoption. It explores social themes in society, economy, policy, and culture and draws on a social framework to describe key functions of societal adaptation to the pandemic. Edited by Suresh Nanwani and William Loxley, the volume is grounded in the study of system components and their objectives to improve overall well-being, given the ill effects of the COVID-19 pandemic. Chapters explore interconnected social networks and how sectors restructured themselves to stabilize or transform society. International contributors from 20 countries offer case studies that highlight key themes including personal connectivity, societal equality, well-being, big data, and national resilience. They predict how impactful the pandemic might be in reshaping the future and assess how the COVID-19 pandemic has affected school system shutdown, public health collapse, business closures, public policy failure, and technology-driven social media acceleration. Offering insights into how institutions and sectors work together in times of crisis and how COVID-19 has restructured social behavior, *Social Structure Adaptation to COVID-19* will be valuable reading for scholars and students of sociology, political science, anthropology, comparative international development, psychology, and education. It will also be of interest to policymakers concerned with education, work, and organizations, and media and technology. The Open Access version of this book is available at www.taylorfrancis.com.
