Dad's Car Rides Wanito Bernadin, 2023-09-20 So many fathers today are adrift uncertain how to connect with their daughters. There may be numerous reasons for this but one would surely be that our culture offers little guidance to men on fatherhood particularly when it comes to fathering daughters. In fact one might ask what does it really mean to father a daughter. We can see mothering all over television advertising and film but what about fathering. Wanito Bernadin offers us a beacon something fathers might find guidance and inspiration in. This book will help fathers and their daughters bond as each lesson and story is intended to stimulate discussion. Wanito speaks to his daughters on all kinds of subjects including the importance of reading getting to know your own voice breaking bad habits recognizing abusive behaviour managing stress or how to cope with having made a bad decision. He explains economics in a way children can understand. He teaches them about debt management and how to evaluate investment opportunities for a brighter financial future. And so much more. But the real treasure of this book is in the wisdom Wanito offers such as in teaching them how failure is an essential part of growing and can lead to better things how to move from being a victim to a victor or how cultivating and protecting virtues like humility and kindness are integral to self respect. This is a love letter from a Godly father to his daughters.

Tekkers Seth Burkett, 2020-07-23 One video can change your life. When Zak isn't scoring goals for his local football team Redwood Rangers he is endlessly working on his freestyle videos with his dad. And when one of those videos goes viral his whole life changes. As the views come rolling in everyone wants a piece of him. Barcelona want him to shoot an advert with Messi. Major sports brands want to endorse him. Suddenly his face is on every sports channel. But as his celebrity status grows Zak begins to realise that online fame isn't all it's cracked up to be. Tekkers is an amusing and entertaining story about the power of social media with the core message that followers are great but friends are even better. This is the first book in a planned trilogy of books following Zak on his football and YouTube journey.

Noelle's Christmas Daddy Stella Moore, 2023-11-15 Being Daddy's Little girl is nothing like she expected. It's so much better. Noelle Grady is no damsel in distress but there are worse things in life than being rescued from a nightmare first date by a smoking hot firefighter with a gorgeous smile and a hint of mischief in his eyes. Especially when her coffee shop hero turns out to be exactly what she's been looking for. A Daddy Only. Dominic isn't like any of the Daddies Noelle knows. He seems more concerned with setting her body on fire with his wicked touch than he is with giving her a list of ridiculous rules to follow. It's a match made in heaven or it should be. But Noelle can't stop comparing herself or her relationship to the people around her. And if she isn't careful she might just end up pushing her new Daddy too far and burning everything she's ever wanted to the ground.
