Sales Management for Start-ups and SMEs Anderson Hirst, 2024-09-03 Managers and entrepreneurs know they have a great product or service but they may not know how best to sell it Useful for nearly any sector or industry this book is a thoroughly practical guide on how to build an excellent sales organisation brick by brick Creating an effective sales

organisation is a challenge for many businesses and it's easy to waste resources on ineffective approaches. Many MBA and executive education programmes do not cover sales management in any depth. Filling this knowledge gap, this guide will help readers to create their own unique high performing sales organisation that fits their product and market environment. Evidence based and field tested, it will give answers to critical questions including: Which sales process should we use? How do we recruit, retain and inspire our sales team? What should we measure and how should we manage it? What do great sales managers do? Rich with case studies from the author's 25 years of sales consulting experience, this book will appeal to a wide variety of managers and entrepreneurs who wrestle with the question: How do I grow my business from sales directors to start up founders to MBA students.

Reach Out: The Simple Strategy You Need to Expand Your Network and Increase Your Influence Molly Beck, 2017-09-29 A practical guide to building valuable career connections through tools you already have and people you already know. Success in life is more than having goals and skills. You need connections. And to get connections, you need to Reach Out fearlessly, strategically and every day of the work week. For many, this is a daunting and confusing task. Reach Out shows readers how to use social media and simple digital tools to begin building and expanding the number of people they know. Author Molly Beck explains how to establish and strengthen your digital presence, develop career goals that Reaching Out can help you obtain. Think strategically about who you have already met, who you could strengthen a relationship with, and who your current connections know. Determine who to Reach Out to and push past common networking fears to do it. Apply step by step instructions on how to craft email and social media messages to those you want to connect with. Optimize your efforts by managing both your time and your inbox. The book features personal stories on networking from some of today's top thought leaders. Studies, statistics and real world examples illustrate the key concepts of Reaching Out. Whether you're just starting out, changing jobs or well established and just eager to know more people, Reaching Out will help you turn career dreams into professional success by helping you connect with others who can put you on the fast track.

Successful Agile Product Development: Secrets to Building the Best Products (Expanded edition) Dr. Roger Chou, 2025-11-10 Industries product development and processes worldwide have embraced a new paradigm in the VUCA era: Agile. Many Taiwanese companies follow the agile trend, yet they discover questioned effectiveness of agile development due to cultural and mindset differences after implementation, resulting in products not recognized by the market. Product Owners often carry the responsibility of the product's development and successful marketing, implying that Product Owners need expertise in agile development and marketing to create well received and successful products in the market. Hence, a classic Product Owner book tailored to the Taiwanese industry, *Successful Agile Product Development: The Secret to Building a Best Selling Product* was born.
