*About My Father's Business Workbook* John L. Donelson, 2025-10-24

About My Father's Business is more than a book; it's a blueprint for building a life and business rooted in divine purpose. Designed as a hands-on workbook, this guide equips faith-based entrepreneurs to align their ventures with biblical principles, spiritual clarity, and personal calling. Through seven foundational questions: Who am I? Why am I here? What can I do? When am I most effective? Where am I from? Where am I going? How will I get there? You'll uncover the spiritual architecture that supports your identity, unlocks your potential, and clarifies your promise. This book challenges the myth that life is random or that God's ways are unknowable. Instead, it reveals how predictable patterns emerge when you practice the principles laid out in His Word. If you're ready to do business by the Book, this workbook will help you build a foundation that lasts in this life and beyond.

Father's Handbook for Raising Children Henry Petersohn, Ph.D, 2023-04-28

About the Book: This father's handbook is a major improvement over other handbooks for raising your children. This up-to-date book covers common child-raising topics often omitted or only summarized in other books. Each topic discussed is backed up by provided references with in-depth specifics should readers want more details. The Father's Handbook for Raising Children includes specific possible actions a father can take rather than just providing do-good statements. Its practical suggestions will save fathers time and money now and as your child ages.

About the Author: A Ph.D. is a research and teaching degree. Petersohn previously taught business management and statistics and has written on computer topics. He personally had to undergo serious cardiac surgery and a stressful recovery and that involved Johns Hopkins and the Med Star Hospital in DC. He also had to deal with more than two dozen family medical issues that pushed him into working with London's National Health System and Venice's Mesre as well as the Cleveland Clinic in Cleveland and St. Joseph's in Phoenix. He was drawn into extensive medical research as family issues became serious, which spurred a deep interest in researching medical journals and reports from sources such as NIH, Johns Hopkins, UCLA, Emory University, and the Mayo Clinic.
