*Prioritizing Enrollment Management* Jason L. Meriwether, 2024-09-16 By blending a norm-challenging, robust discussion on enrollment management with practical guidance for administrative and academic leaders, this book seeks to tackle long-standing issues of recruitment, retention, persistence, and completion in higher education. Traditional service delivery and the notion of what we have always done is no longer adequate for a new generation of college students within the evolving landscape of higher education. This text will redefine current approaches, strategies, timelines, and infrastructure for encouraging student success, communication, and delivery of student services in unique campus settings. Readers will be challenged to adapt to the shifting paradigm of enrollment management as a constant priority for university leaders who seek to shift, create, or revise enrollment planning. Discussion and recommendations in this book will reveal how a collaborative enrollment model that remains in sync with the academic enterprise can increase recruitment yield, improve student success outcomes, and impact generation of revenue. This text will provide a relevant and practical framework that guides campus policymakers to integrate academic prioritization, strategic enrollment planning, student services, and policies while emphasizing collaboration to achieve long-term and measurable outcomes.

*Generative AI Business Applications* David E. Sweenor, Yves Mulkers, 2024-01-31 Within the past year, generative AI has broken barriers and transformed how we think about what computers are truly capable of. But with the marketing hype and generative AI washing of content, it's increasingly difficult for business leaders and practitioners to go beyond the art of the possible and answer that critical question: how is generative AI actually being used in organizations? With over 70 real-world case studies and applications across 12 different industries and 11 departments, *Generative AI Business Applications: An Executive Guide with Real Life Examples and Case Studies* fills a critical knowledge gap for business leaders and practitioners by providing examples of generative AI in action. Diving into the case studies, this TinyTechGuide discusses AI risks, implementation considerations, generative AI operations, AI ethics, and trustworthy AI. The world is transforming before our very eyes. Don't get left behind while understanding the powers and perils of generative AI. Full of use cases and real-world applications, this book is designed for business leaders, tech professionals, and IT teams. We provide practical, jargon-free explanations of generative AI's transformative power. Gain a competitive edge in today's marketplace with *Generative AI Business Applications: An Executive Guide with Real Life Examples and Case Studies*. Remember, it's not the tech that's tiny; just the book. [Tiktok](#)

site while having many similarities to popular social media sites like Twitter and Instagram. The algorithm is very unique to other platforms. TikTok uses a unique algorithm to guarantee that every video has an equal chance of becoming popular regardless of how well known the content creator is. This opens up space for quick expansion and growth of social media presences, rapid growth and practically endless marketing experimentation. What shows up in a user's feed is determined by an algorithm used by TikTok. Every video has a chance of going viral thanks to the intriguing manner that its discovery algorithm works. To attract interested audiences who are ready to buy your products, you can quickly and easily create a TikTok video promoting a product. The main distinction between TikTok and other social media platforms, particularly Facebook and Instagram, is that the homepages of the latter two are primarily made up of users and channels you already follow. You might be wondering why TikTok has been used to market things. TikTok operates in the opposite manner, giving new creator videos priority. This book would be teaching you tips and tricks to run a profitable TikTok business. What you will learn in this book: Introduction to Using TikTok for Business, Steps to Follow to help focus on setting up your strategy before using TikTok for Business, Suggestions for creating content for TikTok and success examples, TikTok Analytics, How to gauge your Brand effectiveness, Successful techniques for becoming viral in the TikTok marketing strategy, Benefits of TikTok Marketing for businesses.
