Handbook of Organizational Creativity Roni Reiter-Palmon, Sam Hunter, 2023-06-22 **Handbook of Organizational Creativity: Individual and Group Level Influences**, Second Edition, covers creativity from many perspectives in two unique volumes, including artificial intelligence, work creativity within specific applied domains (e.g., engineering, science, therapy), and coverage of leadership. The book includes individual, team, and organizational level factors and includes organizational interventions to facilitate creativity, such as training. Chapters focus on creative abilities and creative problem-solving processes, along with individual differences such as motivation, affect, and personality. New chapters include the neuroscience of creativity, creativity and meaning, morality, ethicality, and creativity and creative self-beliefs. Sections on group-level phenomena examine team cognition, team social processes, team diversity, social networks, and multi-team systems and creativity. Final coverage includes different types and approaches to leadership, such as transformational leadership, ambidextrous leadership, leader-follower relations, and more. Focuses on the key need to increase creativity and innovation in organizations. Identifies the factors influencing organizational creativity. Includes individual, group, and organizational influences. Identifies personality traits and beliefs affecting creativity. Discusses problem-solving processes, idea evaluation, and divergent thinking. Contains new coverage of virtual teams, creative meetings, and multi-team systems. This expanded second edition is divided into two volumes.
