Herrick delves into the critical role fathers play in shaping the foundation of American society and the challenges faced by contemporary families. This powerful book emphasizes the importance of dedicated and nurturing fathers who, together with strong and loving mothers, form the backbone of a thriving nation. As the very structure of the American family comes under attack, Herrick advocates for a collaborative approach between moms and dads, recognizing the precious contributions each parent brings to their children's lives. Drawing from his experience as a father of four sons, he shares his firm belief in developing good values within the home that will translate to a stronger America. We Can't Talk about That at Work! Second Edition Mary-Frances Winters, Mareisha Reese, Mareisha N. Reese, 2024-02-06. In developing the skills necessary to engage in bold, inclusive conversations around polarizing topics, we can acknowledge that these subjects are complex, that there are no simple answers, and that it takes time and practice to learn how to do it well. Politics, religion, race—we can't talk about topics like these at work, right? But in fact, these conversations are happening all the time, either in real life or virtually. And if they aren't handled effectively, they can become more polarizing and divisive, impacting productivity, engagement, retention, teamwork, and even employees' sense of safety in the workplace. In this second edition of *We Can't Talk about That at Work*, best-selling author Mary-Frances Winters and new coauthor Mareisha N. Reese of The Winters Group Inc. provide fresh examples, updated research, and compelling insights. Featuring a new chapter on how two organizations have actualized the model for Bold Inclusive Conversations, as well as a discussion guide and updated glossary, this modern classic offers step-by-step guidance for conducting structured conversations around polarizing topics.
