Work At Home Antoinette Gathers, 2019-12-11. Have you gotten tired of going to work? Being around co-workers you don't like? Maybe you can't even get a job to be tired of yet because circumstances are hard. Whatever your reason is, we all understand that we have to survive. I was always fascinated to learn that people I knew held at-home positions. They make the same benefits, get paid even more than if they were to go into an office, and waste less gas. Most of these positions have 401k's and health plan benefits. I give you not an outline but actual links to over 100 actively hiring companies that you can work right from the comfort of your own home. I also give some very useful tips. Plenty of BIG name companies are hiring right now as of DEC 2019. While you can find some of this information on your own, you will likely run into scams. I have a quick tip to avoid those instances also. Don't miss out on this book if you want real employment that you can do from the comfort of your own home.
