The World's Dirtiest Machines Jennifer Blizin Gillis, 2010-07-01 This book gives facts and figures on the dirtiest vehicles in the world from garbage barges to dump trucks **A Doctor's Confession** William Hinshaw, 1903 *The Makin' O' Joe* Louis Matthews Sweet, 1919 **Dirty Little Secrets** Larry Sabato, Glenn R. Simpson, 1996 Political corruption in America is worse today than it has been since the Watergate era Americans know it and the politicians have known it for years Urgent calls for reform have become standard fare but nothing changes A Democrat President and a Republican Congress were both elected on the strength of their promises of reform Neither has delivered Americans contemplate the tottering remains of our ethically bankrupt political system with despair Fact The Christian Coalition's 1994 voter guides appear to have been skewed to favor Republican candidates in key congressional races across the country in direct contravention of federal election law The truth is the politicians couldn't be happier dicker over the remains of the welfare state Because as you'll learn in *Dirty Little Secrets* there is probably not a politician in America who does not benefit directly personally and continually from the status quo Fact The state Democratic party in Tennessee paid sums in excess of six figures to a number of groups and organizations for various political services in 1994 The problem None of the groups actually exist except on paper Our Politicians from those in the highest reaches of the Republican and Democratic parties to those in the humblest state congressional districts evade mass and even break the law in order to hold on to power But instead of merely unmasking corrupt politicians in every region of the country *Dirty Little Secrets* analyzes why corruption persists in American politics despite scandal after scandal and in spite of periodic bursts of reform Fact On the eve of the 1994 elections mock pollsters called up thousands of voters in one Wisconsin congressional district to ask whether their electoral decisions would be influenced if they knew one of the candidates was a lesbian Most politicians want to do the right thing But they also want to be reelected and the system is far stronger than any honest man or woman The influence of money and the intricacies of the levers of power make it easier for politicians to ignore the law than to obey it In *Dirty Little Secrets* you will read of the conservative movement's hidden manipulations in 1994 and learn the truth about Newt Gingrich's twenty year program of political destabilization The history of the corrupt House the Democrats built with the help of liberal interest groups stands revealed And Larry J. Sabato and Glenn R. Simpson expose the corrupt and illegal tactics both parties have used for decades to protect and promote their own power Fact In 1994 in Alabama one local election was decided by three hundred votes Seventeen hundred ballots cast in that election were illegally admitted absentee ballots some of them submitted by dead people Sabato and Simpson's fresh reporting and thousands of hours of background research include interviews with influential politicians consultants and political operatives Freedom of Information Act requests and thousands of pages of obscure campaign reports They prove corruption is not about bad apples or colorful local traditions And they offer a completely original plan for reform Deregulation Plus that will frighten both parties and make the American electorate smile for the first time in years *Dirty Little Secrets* pulls together the corruption story from all parts of the country

sooverwhelmingly that no one from the White House to your house will be able to deny that political reform must be one of the key issues of the 1996 election campaign *Lige Mounts* Frank Bird Linderman,1922 Adventure ,1919
