**Nepia Mahuika**

## **Doing Oral History A Practical Guide:**

**Doing Oral History** Donald A. Ritchie, 2003 Oral history is vital to our understanding of the cultures and experiences of the past Unlike written history oral history forever captures people's feelings expressions and nuances of language But what exactly is oral history How reliable is the information gathered by oral history And what does it take to become an oral historian Donald A Ritchie a leading expert in the field answers these questions and in particular explains the principles and guidelines created by the Oral History Association to ensure the professional standards of oral historians *Doing Oral History* has become one of the premier resources in oral history It explores all aspects of the field from starting an oral history project including funding staffing and equipment to conducting interviews publishing videotaping preserving materials teaching oral history and using oral history in museums and on the radio In this second edition the author has incorporated new trends and scholarship updated and expanded the bibliography and appendices and added a new focus on digital technology and the Internet Appendices include sample legal release forms and information on oral history organizations *Doing Oral History* is a definitive step by step guide that provides advice and explanations on how to create recordings that illuminate human experience for generations to come Illustrated with examples from a wide range of fascinating projects this authoritative guide offers clear practical and detailed advice for students teachers researchers and amateur genealogists who wish to record the history of their own families and communities

*Doing Oral History* Donald A. Ritchie, 2015 *Doing Oral History* is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community The recent development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce and disseminate quality recordings At the same time digital technology has complicated the preservation of the recordings past and present This basic manual offers detailed advice for setting up an oral history project conducting interviews and using oral history for research making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history

*Doing Oral History* Donald A. Ritchie, 1995 In this thorough guide to oral history theory methods and practice Donald A Ritchie a prominent U S scholar in the field synthesizes and builds on the extensive literature in manuals and fieldwork guides to provide the first oral history handbook to address individual researchers as well as organized project teams whether novices or veterans in the field to cover videotaping as well as audio recording and to support both teachers and archivists in their use of oral history records Illustrating his guidelines with colorful examples from a wide range of fascinating projects Ritchie offers clear practical and detailed advice on such issues as obtaining funding staffing and equipment conducting interviews publishing videotaping preserving materials teaching oral history and using oral histories in museums on radio in therapy and in interactive video Throughout Ritchie stimulates researchers to consider and focus on the unique aspects of their individual projects as well as the special rewards and results

of the recordings they make As he states at the outset Ritchie s emphasis is on doing His definitive guide provides all the practical advice and explanations contemporary oral historians require to turn their ideas and goals into action and to create recordings that illuminate human experience for generations to come BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Doing Oral History** Donald A. Ritchie,2014-09-19 Doing Oral History is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community The recent development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce and disseminate quality recordings At the same time digital technology has complicated the preservation of the recordings past and present This basic manual offers detailed advice for setting up an oral history project conducting interviews and using oral history for research making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history

**Catching Stories** Donna M. DeBlasio,Charles F. Ganzert,David H. Mould,Stephen H. Paschen,Howard L. Sacks,2009-05-04 In neighborhoods schools community centers and workplaces people are using oral history to capture and collect the kinds of stories that the history books and the media tend to overlook stories of personal struggle and hope of war and peace of family and friends of beliefs traditions and values the stories of our lives Catching Stories A Practical Guide to Oral History is a clear and comprehensive introduction for those with little or no experience in planning or undertaking oral history projects Opening with the key question Why do oral history the guide outlines the stages of a project from idea to final product planning and research the interviewing process basic technical principles and audio and video recording techniques The guide covers interview transcribing ethical and legal issues archiving funding sources and sharing oral history with audiences Intended for teachers students librarians local historians and volunteers as well as individuals Catching Stories is the place to start for anyone who wants to document the memories and collect the stories of community or family

**Recording Oral History** Valerie Raleigh Yow,1994-02-14 With extensive examples from both historical and social science literature this book is a practical guide to methods of recording oral history The author provides suggestions on a range of techniques from developing a written interview guide and using tape recorders to asking probing questions during in depth interviews and editing transcriptions She also covers the ethical and legal issues involved in conducting life history interviews and elaborates on three different types of oral history projects community studies biographies and family histories

**The Oxford Handbook of Oral History** Donald A. Ritchie,2012-10-01 The Oxford Handbook of Oral History brings together forty authors on five continents to address the evolution of oral history the impact of digital technology the most recent methodological and archival issues and the application of oral history to both scholarly research and public presentations

**Practicing Oral History in Historical Organizations** Barbara W Sommer,2016-06-16 In this brief practical guide internationally known oral historian Barbara W Sommer applies the best

practices of contemporary oral historians to the projects that historical organizations of all sizes and sorts might develop

*Practicing Oral History in Historical Organizations* Barbara W Sommer, 2016-06-16 It has been half a century since the last book that addressed how historical societies can utilize oral history In this brief practical guide internationally known oral historian Barbara W Sommer applies the best practices of contemporary oral historians to the projects that historical organizations of all sizes and sorts might develop The book covers project personnel options funding options legal and ethical issues interviewing techniques and cataloging guidelines identifies helpful steps for historical societies when developing and doing oral history projects includes a dozen model case studies provides additional resources templates forms and

bibliography for the reader **The Oral History Manual** Barbara W. Sommer, Mary Kay Quinlan, 2018-07-05 The Oral History Manual is designed to help anyone interested in doing oral history research to think like an oral historian Recognizing that oral history is a research methodology the authors define oral history and then discuss the methodology in the context of the oral history life cycle the guiding steps that take a practitioner from idea through access use They examine how to articulate the purpose of an interview determine legal and ethical parameters identify narrators and interviewers choose equipment develop budgets and record keeping systems prepare for and record interviews care for interview materials and use the interview information In this third edition in addition to new information on methodology memory technology and legal options incorporated into each chapter a completely new chapter provides guidelines on how to analyze interview content for effective use of oral history interview information The Oral History Manual provides an updated and expanded road map and a solid introduction to oral history for all oral history practitioners from students to community and public historians Rethinking Oral History and Tradition Nepia Mahuika, 2019

For many indigenous peoples oral history is a living intergenerational phenomenon that is crucial to the transmission of our languages cultural knowledge politics and identities Indigenous oral histories are not merely traditions myths chants or superstitions but are valid historical accounts passed on vocally in various forms forums and practices Rethinking Oral History and Tradition An Indigenous Perspective provides a specific native and tribal account of the meaning form politics and practice of oral history It is a rethinking and critique of the popular and powerful ideas that now populate and define the fields of oral history and tradition which have in the process displaced indigenous perspectives This book drawing on indigenous voices explores the overlaps and differences between the studies of oral history and oral tradition and urges scholars in both disciplines to revisit the way their fields think about orality oral history methods transmission narrative power ethics oral history theories and politics Indigenous knowledge and experience holds important contributions that have the potential to expand and develop robust academic thinking in the study of both oral history and tradition *Rethinking Oral History and Tradition* Nepia

Mahuika, 2019-10-09 Indigenous Oral History explores a specific indigenous community approach to oral history It compares and contrasts popular definitions and practices used by both oral historians and oral traditionalists examining whether or not

each resonates with indigenous perspectives regarding the form methods theories and politics of oral history     Exploring Oral History Michael V. Angrosino,2008     *The Oral History Manual* Barbara W. Sommer,Mary Kay Quinlan,2024 The Oral History Manual Fourth Edition is a comprehensive and user friendly book designed to take novice or experienced oral historians through the entire life cycle of creating an oral history project from idea through planning interviewing caring for and making oral history interviews accessible It includes updated information on evolving technology including the use of and challenges associated with automated transcription apps ethical and practical considerations related to oral history and social justice including interviews with people experiencing trauma and challenges associated with real time interviews conducted in the wake of natural and human caused disasters It emphasizes that an oral historian s work is not finished when the recorder is turned off describing in detail the importance of fully processing and preserving oral histories and related materials The book emphasizes the importance of oral history practitioners providing context for their work so researchers and others who encounter the materials in the future will understand fully the circumstances in which the oral histories were created The Oral History Manual Fourth Edition also provides readers background on the evolution of oral history practice and includes appendices with sample forms that oral historians will find useful as they develop their own projects     *Oral History Evaluation Guidelines* Oral History Association,2001     **Oral History** ,2007     **Oral History** Southern Oral History Program,2000     **Practicing Oral History Among Refugees and Host Communities** Marella Hoffman,2019-11-22

*Practicing Oral History among Refugees and Host Communities* provides a comprehensive and practical guide to applied oral history with refugees teaching the reader how to use applied contemporary oral history to help provide solutions to the mega problem that is the worldwide refugee crisis The book surveys the history of the practice and explains its successful applications in fields from journalism law and psychiatry to technology the prevention of terrorism and the design of public services It defines applied oral history with refugees as a field teaching rigorous accessible methodologies for doing it as well as outlining the importance of doing the same work with host communities The book examines important legal and ethical parameters around this complex sensitive field and highlights the cost effective sustainable benefits that are being drawn from this work at all levels It outlines the sociopolitical and theoretical frameworks around such oral histories and the benefits for practitioners future careers Both in scope and approach it thoroughly equips readers for doing their own oral history projects with refugees or host communities wherever they are Using innovative case studies from seven continents and from the author s own work this manual is the ideal guide for oral historians and those working with refugees or host communities     A Pocket Guide to Writing in History Mary Lynn Rampolla,2012-03-01 An essential writing reading and research tool for all history students A Pocket Guide to Writing in History offers a best selling combination of concise yet comprehensive advice in a portable and accessible format This quick reference guide provides a practical introduction to typical history assignments exercising critical reading skills evaluating and documenting sources writing effective history

papers conducting research and avoiding plagiarism Building on its time tested approach the seventh edition offers expanded hands on guidance for writing and researching in the digital age and additional coverage on working with primary and secondary sources     *The American archivist* Society of American Archivists,1996 Includes sections Reviews of books and Abstracts of archive publications

## **Doing Oral History A Practical Guide Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Doing Oral History A Practical Guide PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Doing Oral History A Practical Guide PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Doing Oral History A Practical Guide free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
