**Dolly Is Dead** J. S. Borthwick,1996-07-15 Everybody loves Dolly Beaugard At least that s what Maine college professor and amateur sleuth Sarah Deane always thought But when Dolly s bloated body washes ashore on the same spot as the drunken Gattling brothers the day before the police rule homicide Unfortunately for Sarah she and her doctor husband Alex have a local reputation for sharp eyed detection so Dolly s sister Alice who doesn t trust the police insists they get involved Sarah and Alex begin to discover that the connection between the reviled Gattlings and the reputable Beaugards is surprisingly close And even though her family all depended on Dolly to keep their finances in order some things just don t add up Sarah and Alex s only hope is to find out who knew Dolly s secrets and who might be next on the killer s hit list

**Hubbard's Success** ,1883 **Dolly Is Dead • The Garden Plot** J.S. Borthwick,2025-06-24 Sarah Deane may be a newly minted college professor but whether she s on the rocky coast of Maine or an elegant English estate her real calling is as the Nancy Drew of the 1980s Publishers Weekly Everybody loves Dolly At least that s what Sarah Deane s sister says But Sarah s siblings aren t so sure and when Dolly turns up drowned they ask Sarah to start asking questions After all in the finest cozy mystery tradition the police may not be up to the task And while Sarah may be more PhD than PD she has a well known knack for nosing around and uncovering secrets like the ones that may have killed Dolly Not long thereafter Sarah is bamboozled into shepherding tiresome Aunt Julia around the great gardens of Europe It helps that her old friend Ellen Trevino is the expert leading the tour but when Ellen misses the plane Sarah s oh so sensitive nose starts twitching When you ve solved as many murders as she has you get a sense about these things and before the group sits down to its first cream tea Sarah s nose is jumping like it has springs attached

**Too Late to Say Goodbye** Ann Rule,2007-06-05 From bestselling author Ann Rule comes the engrossing true story of two beautiful loving women and their murder by the man in their life handsome charming rich a man marked for unlimited success but one who would never allow any woman to leave him no matter what the provocation Jenn Corbin a lovely slim brown eyed blonde appeared to have it all two dear little boys a posh home in one of the upscale suburbs of Atlanta expensive cars a plush houseboat and a husband Dr Bart Corbin a successful dentist who was tall handsome and brilliant But gradually their seemingly idyllic life together began to crumble There was talk of seeing a marriage counselor Bart was distraught Jenn seemed disenchanted She needed to reach out to someone she could confide in beyond her mother and her sisters Then just a few weeks before Christmas 2004 Jenn was found dead with a bullet in her head a revolver beside her From the position of the body her death appeared to be a suicide But Gwinnett County detective Marcus Head was not totally convinced nor was Jenn s family who could not believe she would take her own life And how was this death related to another apparent suicide fourteen years earlier that of Dorothy Dolly Hearn a

spectacularly beautiful dental student A star athlete and homecoming queen in high school Dolly later dated Bart Corbin in dental school Was there a connection or was the answer to be found in a secret even dangerous relationship Jenn Corbin was having outside her marriage For Too Late to Say Goodbye Ann Rule has interviewed virtually everyone in any way related to the story the victims families police investigators prosecutors and sources from Georgia to Australia to uncover the truth behind the headlines of these two sensational deaths What emerges is an incredible tale of jealous rage of stunning circumstantial and physical evidence that runs from the steamy to the macabre to almost unheard of forensic techniques and of a tragic irony a fateful discovery that motivated the killing The definitive unraveling of one of the strangest murder investigations of our time Too Late to Say Goodbye is perhaps the finest achievement of a truly great writer s career

**Shakespeare's Original Stage Conditions and their Afterlives across the Globe** Yu Jin Ko,2024-09-06 This book brings together two separate fields by combining a study of Shakespeare s original stage conditions with an exploration of his plays in performance across the globe The book contributes new insights into how early modern

stage conditions shaped the writing production and reception of Shakespeare's plays but takes the further step of examining how original stage conditions re-emerge not only in Globe replicas like the London Globe but in unexpected and sometimes unconscious reconfigurations in adaptations and productions from around the world film versions of Othello from Mexico to India that take dancing cues and anxieties about dance from the play and centralize dance Korean adaptations for the madang or yard that reimagine Shakespeare's theatrical spaces and their relationships to audiences Noh re-imaginings on film and onstage that foreground the theatrical a teen film remake of Othello that raises questions about how blackness is figured today and on Shakespeare's stage among others By studying original stage conditions and their global afterlives the book illuminates how global productions negotiate historical and cultural differences and thereby paradoxically engage with the cultural specificities of the present
