Dombey and Son Charles Dickens,2016-09-04 Dombey and Son Charles

Dickens's story of a powerful man whose callous neglect of his family triggers his professional and personal downfall showcases the author's gift for vivid characterization and unfailingly realistic description. As Jonathan Lethem contends in his Introduction, Dickens's genius is at one with the genius of the form of the novel itself. Dickens willed into existence the most capacious and elastic and versatile kind of novel that could be one big enough for his vast sentimental yearnings and for every impulse and fear and hesitation in him that countervailed those yearnings too. Never parsimonious and frequently contradictory, he always gives us everything he can, everything he's planned to give, and then more. *Dombey and Son* is the earliest novel of Dickens for which a complete set of working notes survives. Dickens called these notes *mems*, which is short for memoranda. The *mems* allowed him to keep track of complicated plot lines and the many characters that populate his novels. These working notes for *Dombey and Son* reveal that young Paul Dombey was doomed to die from the first moment that Dickens created him. Although he did live for one chapter longer than Dickens originally intended, Walter Gay was originally intended to go bad, was saved from that fate. Edith, the second Mrs Dombey, was bound for adultery and death, but Dickens spared her character at the urgings of his friend Lord Jeffrey. Includes vintage illustration.

Dombey and Son (1848).: Novel Charles Dickens, 2018-10-06. *Dombey and Son* is a novel by Charles Dickens published in monthly parts from 1 October 1846 to 1 April 1848 and in one volume in 1848. Its full title is *Dealings with the Firm of Dombey and Son: Wholesale, Retail, and for Exportation*. Plot summary: The story concerns Paul Dombey, the wealthy owner of the shipping company of the book's title, whose dream is to have a son to continue his business. The book begins when his son is born, and Dombey's wife dies shortly after giving birth. Following the advice of Mrs Louisa Chick, his sister, Dombey employs a wet nurse named Mrs Richards. Toodle Dombey already has a six-year-old daughter, Florence, but bitter at her not having been the desired boy, he neglects her continually. One day Mrs Richards, Florence, and her maid Susan Nipper secretly pay a visit to Mrs Richard's house in Staggs's Gardens so that Mrs Richards can see her children. During this trip, Florence becomes separated from them and is kidnapped for a short time by Good Mrs Brown before being returned to the streets. She makes her way to Dombey and Son's offices in the City and there is found and brought home by Walter Gay, an employee of Mr Dombey, who first introduces her to his uncle, the navigation instrument maker Solomon Gills, at his shop, *The Wooden Midshipman*. The child, named Paul after his father, is a weak and sickly child who does not socialise normally with others; adults call him *old-fashioned*. He is intensely fond of his sister Florence, who is deliberately neglected by her father as irrelevant and a distraction. He is sent to the seaside at Brighton for his health, where he and Florence lodge with the ancient and acidic Mrs Pipchin. Finding his health beginning to improve there, Mr Dombey keeps him at Brighton and has him educated there at Dr and Mrs Blimber's school, where he and the other boys undergo both an intense and arduous education under the tutelage of Mr Feeder B.A. and Cornelia Blimber. It is here that Paul is befriended by a fellow pupil, the amiable but weak-minded Mr Toots. Here Paul's health declines even further in this great hothouse, and he finally dies, still only six years old. Dombey pushes his daughter

away from him after the death of his son while she futilely tries to earn his love In the meantime young Walter sent off to fill a junior position in the firm s counting house in Barbados through the manipulations of Mr Dombey s confidential manager Mr James Carker with his white teeth who sees him as a potential rival through his association with Florence His boat is reported lost and he is presumed drowned Walter s uncle leaves to go in search of Walter leaving his great friend Captain Edward Cuttle in charge of The Midshipman Meanwhile Florence is now left alone with few friends to keep her company

Dombey and Son by Charles Dickens,2021-04-14 Well Sir said Doctor Parker Peps in a round deep sonorous voice muffled for the occasion like the knocker do you find that your dear lady is at all roused by your visit Stimulated as it were said the family practitioner faintly bowing at the same time to the Doctor as much as to say Excuse my putting in a word but this is a valuable connexion Mr Dombey was quite discomfited by the question He had thought so little of the patient that he was not in a condition to answer it He said that it would be a satisfaction to him if Doctor Parker Peps would walk upstairs again Good We must not disguise from you Sir said Doctor Parker Peps that there is a want of power in Her Grace the Duchess I beg your pardon I confound names I should say in your amiable lady That there is a certain degree of languor and a general absence of elasticity which we would rather not See interposed the family practitioner with another inclination of the head Quite so said Doctor Parker Peps which we would rather not see It would appear that the system of Lady Cankaby excuse me I should say of Mrs Dombey I confuse the names of cases So very numerous murmured the family practitioner can t be expected I m sure quite wonderful if otherwise Doctor Parker Peps s West End practice Thank you said the Doctor quite so It would appear I was observing that the system of our patient has sustained a shock from which it can only hope to rally by a great and strong And vigorous murmured the family practitioner

Quite so assented the Doctor and vigorous effort Mr Pilkins here who from his position of medical adviser in this family no one better qualified to fill that position I am sure Oh murmured the family practitioner Praise from Sir Hubert Stanley You are good enough returned Doctor Parker Peps to say so Mr Pilkins who from his position is best acquainted with the patient's constitution in its normal state an acquaintance very valuable to us in forming our opinions in these occasions is of opinion with me that Nature must be called upon to make a vigorous effort in this instance and that if our interesting friend the Countess of Dombey I beg your pardon Mrs Dombey should not be Able said the family practitioner To make said Doctor Parker Peps That effort said the family practitioner Successfully said they both together Then added Doctor Parker Peps alone and very gravely a crisis might arise which we should both sincerely deplore With that they stood for a few seconds looking at the ground Then on the motion made in dumb show of Doctor Parker Peps they went upstairs the family practitioner opening the room door for that distinguished professional and following him out with most obsequious politeness To record of Mr Dombey that he was not in his way affected by this intelligence would be to do him an injustice He was not a man of whom it could properly be said that he was ever startled or shocked but he certainly had a sense within him that if his wife should sicken and decay he would be very sorry and that he would find a something gone from among his plate and furniture and other household possessions which was well worth the having and could not be lost without sincere regret Though it would be a cool business like gentlemanly self possessed reg

Charles Dickens, 2017-09-08 Mr Dombey is a stiff dignified man who rarely shows emotion but the birth of his infant son who is named Paul is cause for rejoicing Mr Dombey longed many years for a child who would become the Son of his mercantile firm of Dombey and Son The fact that Mrs Dombey dies shortly after the boy's birth does not particularly concern him his attention centers entirely on the little infant Mr Dombey also has a daughter Florence but she means nothing to him for she cannot take a place in the firm Little Paul is first given over to a wet nurse but the woman is considered unreliable and is dismissed After her dismissal little Paul is cared for by Mr Dombey's sister and one of her friends Despite their vigilant care however the boy suffers from poor health He is listless and never cares to play At last Mr Dombey arranges to have him sent to a home at Brighton together with his sister to benefit from the sea air Paul loves his sister very much and they are constant companions but Paul's love for Florence only makes Mr Dombey dislike the girl He resents the fact that she is healthy when his son is not and he feels that his daughter is coming between him and his son One weekend while Mr Dombey is visiting at Brighton Walter Gay a young clerk in his firm comes to the inn where Mr Dombey and his children are dining Some time before the clerk rescued Florence from an old thief Now his uncle is about to become a bankrupt and Walter comes to ask for a loan to save his uncle's shop Mr Dombey lets little Paul then six years old make the decision Paul asks Florence what he should do she tells him to lend the money and he does Shortly afterward little Paul is placed in a private school at Brighton where he is to be educated as quickly as possible The pace of his studies proves too much for him and

before the year is out his health breaks down Even after his father takes him home to London he does not seem to grow any better He dies a few months later deeply mourned by his father and his sister although for different reasons Mr Dombey takes his son s death as a personal blow of fate to his plans His sister and her friend become so concerned about him that they persuade him to take a trip to Leamington with Major Bagstock a retired officer While in Leamington they meet Edith Granger a young widow whose mother the major knew Mr Dombey begins to court Mrs Granger seeing in her a beautiful well bred young woman who will grace his household and provide him with an heir Mrs Granger coaxed by an aged mother who is concerned for her own and her daughter s welfare finally accepts Mr Dombey although she is not in love with him Florence saw young Walter several times since their meeting at Brighton After her brother s death she comes to look upon Walter as a substitute brother despite his lowly station Their friendship is broken temporarily

Dombey and Son Charles Dickens,2023-02-13T19:45:52Z The fictional Dombey and Son is a prominent mercantile house in England and as Dombey and Son the novel opens the third generation and Son has just been born For Paul Dombey the proud second and Son to graduate to Dombey this moment has been the focus of his life to this point So much so that he barely knows his six year old daughter Florence exists The impact of that father s overbearing disposition on the one hand and indifference and worse on the other is the subject of the rest of the novel Paul s only focus is on preparing the junior Paul to be and Son and those preparations have no room for Florence As she makes her way to adulthood she encounters caregivers good and bad and adventures large and small all while striving to find a place in her father s heart Dombey and Son is a novel about the destructive nature of pride and arrogance but it also has plenty to say about the essential qualities of motherhood and money It would not be Dickens if there were not a plethora of characters of all stripes stations and personalities each of whom leave an indelible impression on both the page and the mind This book is part of the Standard Ebooks project which produces free public domain ebooks
