## **Dombrowskis Line:**

**Dombrowski's Line** James Shamblen, 2000-08-01 Pilzno Poland 1939 Walter Dombrowski a cabinet maker witnesses the destruction of his village by the Nazi war machine His beloved grandfather Josef Thaddeus Dombrowski dies before his eyes After his wife Anna escapes to Switzerland Walter is captured and sent to a Nazi work camp in Marburg Germany In Walter s eyes it is the end of the world Niagara Falls N Y 1965 Walter and Anna Dombrowski have survived the horrors of WW II and relocated to America They live next door to another immigrant Salvatore Piazza and his wife Sofia Walter and Salvatore work as maintenance craftsmen for the Inter Canadian Transit Corp ITC where Walter is the union president and Salvatore is a steward Driven by strong ideals Walter will not take a backward step in fighting for the union he is in constant conflict with his supervisor Phil Taylor Walter and Salvatore are assigned to maintenance tasks on Bridge Number 7 an ancient wooden railroad bridge spanning the lower Niagara gorge between United States and Canada Through a comedy of errors Walter and Salvatore become trapped on the bridge Immigration officials of Canada and U S A each stationed at their respective ends of the bridge believe the pair are trying to sneak into their respective countries Both countries are unyielding Canada blames the U S A for allowing the pair to sneak past their gates and U S A blames the Canadians A deadlock When Immigration officers try to force Walter and Salvatore from the bridge they retreat to the center of the bridge There is a black line painted across the center of the bridge it is four feet wide and represents the border between the two countries With hostile officials standing on both sides Walter and Salvatore are trapped In desperation Walter claims that neither side can drive him from the black line because neither country has full ownership of the border between two countries Walter claims the line and names it Dombrowski s Line Uncertain and confused officials from both sides refer the problem to higher authority where it is discovered there is no formal title of ownership for the line Is it possible Walter has laid legal claim to a strip of land four feet wide and three thousand miles long What follows is an international circus of bureaucratic folly stirred and elevated to absurd proportion by inept politicians from both countries **A Liberating Spirit** Michael Wilkinson, Steven M.

Studebaker, 2010-09-13 The historical ambivalence among Pentecostals about their relationship to culture and society needs evaluation How do we understand Pentecostal engagement with society and how are Pentecostals in North America engaging issues of race class gender and ecology What theologically motivates North American Pentecostals to respond to social issues What categories best explain Pentecostal responses to social issues in North America How do they compare to Pentecostal responses elsewhere Recently scholars of global Pentecostalism have proposed that the experience of the Spirit among Pentecostals has elicited the development of a Pentecostal theology of liberation which has implications for understanding Pentecostal responses to social issues These projects primarily explore the Pentecostal response to cultural issues in areas outside of North America and especially focus on Africa Asia and Latin America This volume assesses whether the categories of social liberation applied to non Western Pentecostalism characterize Pentecostalism in North America Is there evidence of

a Pentecostal theology of liberation that explains Pentecostal engagement in North America Do social liberation categories fit the North American Pentecostal responses to social issues or are others more suitable These and other important questions about the relation between liberation theology and North American Pentecostalism are thoroughly explored in this important collection of essays *James A. Dombrowski* Frank T. Adams,1992 I read this book based on my reading of General Walker and the Murder of President Kennedy by Dr Jeffry Caulfield As portrayed in the Caulfield book Dombrowski was in the eye of the segregationist hurricane which swept the South in the 1950 s and 1960 s following the Brown decision by the Supreme Court This book gives a different perspective on the civil rights movement in the South Such classics as *Where Rebels Roost* by Susan Klopfer and *Gothic Politics in the Deep South* by Robert Sherrill tend to give a condescending attitude toward the South By contrast Dombrowski describes a different version of events a version which shows that the behind the scenes activities for Southern liberalization were very methodical and proceeded at a businesslike pace and with very steady progress all the way from the New Deal right up until the more radical 1970 s The book makes a case that if there were actually such a thing as The New South then Dombrowski had a very strong case for its paternity Dombrowski as many may already know had close personal links to Justice Hugo Black of Alabama who was himself a pioneer of a more open minded attitude to the race problem in the South **Dombrowski V.
