Don't Give Up! Alma W. Briggs, 1997-04-01 Hope for Today Bible Joel Osteen, 2013-08-27 God's Word is Truth It is the very character and essence of God in written form As you study the Scriptures with an alert mind and a receptive heart you will be strengthened empowered and filled with the hope that comes through a loving and growing relationship with Jesus Christ We are who the Bible says we are we can have what it says we can have and we can do all that it promises we can do This is the heart of the message that Joel and Victoria Osteen share every week with an audience of millions around the world via television the internet and worship events Their practical uplifting message of hope found in Christ has changed the lives of individuals impacted families and literally transformed communities They place an incredible value on the principles of the Bible which have a miraculous life changing impact on anyone who is willing to study and obey its truths The Hope for Today Bible is filled with insights notes and encouragements from Joel and Victoria designed to help you grow deeper in your walk with God It also includes specific verses that you can pray over your relationships your children your finances and your health In addition HopePoints are key words and supporting scriptures related to topics such as favor forgiveness anger depression loneliness self control and many more This Bible is presented in the New Living Translation which combines phenomenal scholarship and textual accuracy with clear easy to understand contemporary language The Bible will come alive and become clear like never before *Philippine Observer* ,1928 *Christian Advocate* ,1908

God's Prescription for Mental Health and Religion E. Rae Harcum, 2010-07-15 The central proposition of God's Prescription for Mental Health and Religion is that the highway to mental health of individuals and of society is God's prescription of selfless devotion and service to others Mental health does not refer to the absence of mental disturbance but rather to feelings of happiness and well being This message represents an integration of psychological and religious thinking both of which say that personal peace and happiness come to those who devote their lives to serving others instead of those who focus their lives on a search for personal pleasure This proposition is supported by rigorous psychological research showing that people who believe in a loving and supportive God do in fact enjoy better mental health This thesis is also supported by the insightful advice of many experts and commentators on social problems and by specific quotations from the Bible So smile if you truly believe your religion The Bay View Magazine ,1900 *Herald and Presbyter* ,1909 *Thirty Thousand Thoughts: Christian dogmatics (concluded)* Henry Donald Maurice Spence-Jones, Joseph Samuel Exell, Charles Neil, 1903 **The Christian Century** ,1924 The Ladies' Home Journal ,1896 The Watchman ,1888 *Luther League Review* ,1942 Zion's Herald ,1906 The Congregationalist ,1927 **Minutes of the Annual Conferences of the Methodist Episcopal Church** ,1879 **The Christian Life** ,1882 **Friends' Weekly Intelligencer** ,1916 *The Christian Witness and Advocate of Bible Holiness* ,1897 **The Christian Advocate** ,1927 *Friends' Intelligencer* ,1919
