Spiritual Truths from Slang Expressions

ROY L. SMITH

A leading religious writer and columnist here uses American slang to present to today's Christians lessons in personal adjustment—lessons in the everyday living of the Christian truths found in the Bible. Dr. Smith takes ten of these slang expressions and shows us that—no matter how casually we may use these phrases—they are really the humble man's way of expressing the great truths of life we get from God.

Don't Kid Yourself Roy L. Smith, 2011-10-01 Telling the Truth to Troubled People William Backus, 1985-03-01 A clinical psychologist and associate pastor in a large suburban church author William Backus here provides background information counseling techniques terminology and scriptural basis for bringing counseling back into the Church Integrating both biblical and psychological facts he shows the reader how to use Misbelief Therapy as presented in the bestseller *Telling Yourself the Truth* in helping Christian counselors show their patients how to overcome their psychological and emotional problems Chapters include issues such as Why counseling belongs in the Church The limits of counseling Truth the core of counseling Anxiety disorders when fear moves in Schizophrenia departure from reality Sexual deviation Dr Backus gives the counselor many case histories and dialogue exchanges to help amplify and apply the counseling techniques Review questions at the end of each chapter make it an ideal group study book for a lay counseling class *Wrestling with God* Rick Diamond, 2003-02 The end of religion is the beginning of relationship The complexity and formality of religion can cause anyone to doubt their spiritual journey *Wrestling With God* provides insights and encouragement to those seeking to live outside the norms or traditional religion and the collapsed culture of success and easy answers It is a guidebook into the rich journey of surrender and exploration that can lead to a deep trust in a radically loving but not tame God It s about leaving the safety of what you already know and traveling into a wild spiritual country On this journey you follow Jesus to the place where you don t have to be and can t be in control The only thing you can be sure of is that God will meet you there Speaker and teacher Rick Diamond is Pastor of Discipleship at Riverbend Church in Austin Texas He also serves as an adjunct faculty member at Drew University in the Doctor of Ministry program **There's Only One** Anthony Cooper, 2024-05-03 I have acquired a greater understanding of the truth and what this earthly life encompasses by maintaining a close personal relationship with Jesus Christ During my spiritual growth I realized there were several topics that needed to be given more attention and more conversation to help someone obtain a greater understanding of Christianity I have written about and expanded upon these essential topics Acquiring more knowledge about these topics will allow you to better understand the true meaning of this life We are all searching for the truth to establish our belief system upon so we can acquire joy and purpose in our lives These attributes can only come from the freedom of the truth Remember If you abide in Christ s word you will know the truth and the truth will set you free John 8 31 32 This book will help you realize your purpose in this life and how to experience true joy This life s earthly journey can be very complicated and confusing if we do not base our life in accordance with the moral truths of Jesus Christ Agnostics skeptics and misinterpretations have created conflicting viewpoints about Christianity However Christianity based solely on the moral truths of Jesus Christ has clarity and certainty God is not the author of confusion but of peace 1 Corinthians 14 33 As you start to live by these moral truths your personal behavior will start to reflect Christ s personal characteristics and your perspective on life will come into focus Life will start
