Small Pond Ada Goepp, 1956 **If It Could Happen Here** Jeffrey H. Patton, 2010-10-01 Are small membership churches as the conventional wisdom says simply places where pastors bide their time while they wait for something better to come along Are they places where long standing family relationships are maintained but little else Are they places where attendance is dropping the building is out of date the programs are boring and people don t want to change If you believe this conventional wisdom then this book is not for you But if you see small membership churches especially those in rural areas as opportunities for the radical message of Jesus to transform lives and communities then this is a book you want to read Jeff Patton knows from firsthand experience as pastor of a small membership congregation whose life turned around under his leadership that small rural churches can become explosive centers of witness and mission In this informative book he describes 6 levers for transforming a small membership church prayer discerning a clear vision indigenous worship growth groups membership recruitment and lay pastoring Includes a foreword by Bill Easum **Boys' Life**, 1986 *But I Thought You Meant--* Julia T.
