## **Dude With A Tude:**

**Slam Dunks and No-Brainers** Leslie Savan, 2006-10-10 In this marvelously original book three time Pulitzer Prize finalist Leslie Savan offers fascinating insights into why we're all talking the talk. Duh. Bring it on. Bling. Whatever. And what this reveals about America today. Savan traces the paths that phrases like these travel from obscure slang to pop stardom, selling everything from cars to ads for VWs, Mitsubishis and Mercurys. All pitch them as no-brainers. So to wars finding WMD in Iraq was to be a slam dunk. Real people create these catchy phrases but once media, politics and businesses broadcast them they burst out of our mouths as celebrity words, newly glamorous and powerful. Witty, fun and full of thought-provoking stories about the origins of popular expressions. **Slam Dunks and No Brainers** is for everyone who loves the mysteries of language.

**The Object of Our Desire** David William Pearce, 2024-02-29 An irreverent offbeat crime thriller featuring a memorable protagonist and a quirky cast of gangsters. **Best Thrillers** After his brother Sterling disappears one too many times Monk is asked to find him. But what starts as a simple case of a man cheating on his wife becomes more problematic when a detective shows up asking questions piquing Monk's curiosity but is later found murdered. Complicating matters the detective like Sterling's lover is black and transgendered. A world Monk knows little about. He knows Aisha, Sterling's lover, is out there feeding him clues but unwilling to come out in the open. Sterling claims he doesn't know where she is but offers to seek counseling from a famous LA pastor whose name has come up before along with someone named Flavius. Monk starts to believe the pastor like his brother isn't being honest. This concern only deepens when he finds that three other women tied to both Aisha and the pastor are missing. To make things worse government figures and Russian interests are asking questions about a dead assassin Monk had confronted the year before wanting answers and threatening violence. **Jewelers'**

**Circular/keystone**, 1976-10 **Ski Films** Bryan Senn, 2022-05-02 Skiing in movies like the sport itself grew more prevalent beginning in the 1930s when it was a pastime of the elite with depictions reflecting changes in technique, fashion and social climate. World War II saw skiing featured in a dozen films dealing with that conflict. Fueled by postwar prosperity the sport exploded in the 1950s. Filmmakers followed suit using scenes on snow-covered slopes for panoramic beauty and the thrill of the chase. Through the free-spirited 1960s and 1970s the downhill lifestyle shushed into everything from spy thrillers to beach party romps. The extreme sports era of the 1980s and 1990s brought snowboarding to the big screen. This first ever critical history of skiing in film chronicles a century of alpine cinema with production information and stories and quotes from directors, actors and stuntmen.

**Perpetual Motion: Ozy and Millie, 2002-2003** D. C. Simpson, 2008-01-01 The fourth volume in which Llewellyn attempts to base a perpetual motion machine on Millie. The identity of Millie's father is revealed. The kids participate in a spelling bee. Avery dabbles in reality television. Ozy moonlights as a lab rat. Llewellyn launches another presidential campaign and much more. **Atlanta**, 2003-07 Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting and superlative design that illuminate the people, the issues.
