## **Duet For Edsa Looking Back Looking Forward:**

Duet for EDSA.: Looking back, looking forward 1996 Jose Veloso Abueva,1995      Whither the Philippines in the 21st Century? Rodolfo C Severino,Lorraine Carlos Salazar,2007 Examines contradictory economic and political trends occurring in the Philippines in order to gain a sense of the country s prospects      The Filipino Moving Onward 5' 2007 Ed. ,      **White Love and Other Events in Filipino History** Vicente L. Rafael,2014-06-18 In this wide ranging cultural and political history of Filipinos and the Philippines Vicente L Rafael examines the period from the onset of U S colonialism in 1898 to the emergence of a Filipino diaspora in the 1990s Self consciously adopting the essay form as a method with which to disrupt epic conceptions of Filipino history Rafael treats in a condensed and concise manner clusters of historical detail and reflections that do not easily fit into a larger whole **White Love and Other Events in Filipino History** is thus a view of nationalism as an unstable production as Rafael reveals how under what circumstances and with what effects the concept of the nation has been produced and deployed in the Philippines With a focus on the contradictions and ironies that suffuse Filipino history Rafael delineates the multiple ways that colonialism has both inhabited and enabled the nationalist discourse of the present His topics range from the colonial census of 1903 1905 in which a racialized imperial order imposed by the United States came into contact with an emergent revolutionary nationalism to the pleasures and anxieties of nationalist identification as evinced in the rise of the Marcos regime Other essays examine aspects of colonial domesticity through the writings of white women during the first decade of U S rule the uses of photography in ethnology war and portraiture the circulation of rumor during the Japanese occupation of Manila the reproduction of a hierarchy of languages in popular culture and the spectral presence of diasporic Filipino communities within the nation state A critique of both U S imperialism and Filipino nationalism **White Love and Other Events in Filipino History** creates a sense of epistemological vertigo in the face of former attempts to comprehend and master Filipino identity This volume should become a valuable work for those interested in Southeast Asian studies Asian American studies postcolonial studies and cultural studies      **State of the nation: Philippines** Temario C. Rivera,1996 Southeast Asia State of the Nation Monograph Series This study seeks to evaluate the most significant events in the country during the last two decades in order to understand better the structures and forces underpinning the process of change and continuity in three interlinked historical periods the struggle against the authoritarian rule of Marcos the Aquino presidency and the first three years of the Ramos administration The monograph also seeks to identify the important trends and developments that help shape events and conjunctures in the future      **A Catalogue of Award-winning Titles** ,2008      Southeast Asian Middle Classes Abdul Rahman Embong,2001      Duet for EDSA.: Chronology of a revolution 1986 Lorna Kalaw-Tirol,1995 Detailed chronology of events and personal experiences during the popular revolution in the Philippines Feb 22 25 1986 centered on mass gatherings of the people along EDSA Epifanio de los Santos Avenue Manila      Church--press Interactions in the Philippines Geri Alumit Zeldes,2000      *Torture*

*and Impunity* Alfred W. McCoy, 2012-08-24 Many Americans have condemned the enhanced interrogation techniques used in the War on Terror as a transgression of human rights But the United States has done almost nothing to prosecute past abuses or prevent future violations Tracing this knotty contradiction from the 1950s to the present historian Alfred W McCoy probes the political and cultural dynamics that have made impunity for torture a bipartisan policy of the U S government During the Cold War McCoy argues the U S Central Intelligence Agency covertly funded psychological experiments designed to weaken a subject s resistance to interrogation After the 9 11 terrorist attacks the CIA revived these harsh methods while U S media was flooded with seductive images that normalized torture for many Americans Ten years later the U S had failed to punish the perpetrators or the powerful who commanded them and continued to exploit intelligence extracted under torture by surrogates from Somalia to Afghanistan Although Washington has publicly distanced itself from torture disturbing images from the prisons at Abu Ghraib and Guantanamo are seared into human memory doing lasting damage to America s moral authority as a world leader     Philippine Politics and Governance Teresa S.
