 Bringing together distinguished Classicists Koreanists and Americanists this book examines the cultural and political  
 institutional dimensions of war's impact on society by comparing the effects of prolonged war on ancient Athens during the  
 war with Sparta and on the United States and the two Koreas North and South during the Korean War Despite the very  
 circumstances of the two conflicts and the radically different way each was viewed in its own time the contributors point to  
 many underlying similarities between the two wars and put each in a fascinating and unique perspective      **Christian**
