Fate, in the Dungeon of Doom Peter Okonkwo, 2021-03-04 FATE IN THE DUNGEON OF DOOM is a contemplative literary work on the kismet of the human person It is a sort of an entreaty of a traumatized lad who has been thrust to throes in the underground prison of doom It explains some sort of unknown facts about the orlay of a man it answers the many chronic questions of the reality of a man's fate with ideas susceptible to debate if a man knows his destiny If fate itself is a stringent or a lenient spirit if fate's visitation would change the lifestyle of a man or cause him to die suddenly and how fate relates itself to the lifetime of a man This book is made up of three sections The Poems of Fate The narrative and tragicomic poems of Kwame and other breathtaking poems This collection has an intuitional interpretation of what a man's fate exhibit amidst impediments endurance abnegation innocence and most importantly doom It is a fatalistic poetry collection

RECOMMENDATIONS In his new collection of poems titled Fate in the Dungeon of Doom his follow up to

Ecstasy of the Dead Peter Okonkwo oscillates between inspirational hope and clinical despondency as he attempts to determine the nature of Fate alternately referred to as kismet and destiny and its function in a man's lives Okonkwo in one instance consoles Fate as a partner to help us along life's journey and in another instance spurns him as a cruel trickster He woos her as a would be lover and then futilely pursues Peter explains and asked gnarly questions on the true identity of a man's fate Is kismet a place of our making or a destination A question that vacillates my intuition In the pages of Fate in the Dungeon of Doom the author presents fate as both a treasure to be attained and a curse that will destroy all All this might tempt one to question Peter's sanity or at least his ability to illustrate the nature of a man's fate But that would be missing the point that within these pages he is offering a sample of his pondering inviting us to take a plunge into the ocean depths of his heart concerning a subject matter as evocative as that of the existence of God himself FROM Kevin M Kraft Author of the DOBORO THE BOTTLENECKER book series MOMO Taking the themes and concepts he explored in his previous work Ecstasy of the Dead author Peter Okonkwo delivers another thoughtful contemplative and insightful collection of poetry and narrative verses In many ways Fate in the Dungeon of Doom feels like a continuation of the author's earlier anthology developing the narrative of Kwame's plight and continuing his examination of a vast variety of ideas and issues through his raw arresting writing All at once this anthology manages to be intellectually engaging emotionally affecting and sincerely thought provoking If you appreciate works that stimulate the mind and leave you mulling them over long after you've finished reading you'll be sure to find enjoyment in this book Much like his debut Fate in the Dungeon of Doom opens discussion on matters of the human psyche and the nature of Man's spirituality through the author's powerful words Okonkwo is a smart and highly skilled young writer with a bright future ahead of him and these two collections certainly illustrate his potential within this field His voice is clear and insistent and his passion for confronting and tackling any topic is very admirable He is a talent to keep an eye on for sure FROM NIGHT TERROR NOVELS *The Dungeon of Doom*, 2014 MacUser Gregory Wasson, 1993 Back to Dungeon of Doom Peter Friend, 2020-10-02 The Emerald Emperor wants you and your friends back in the Dungeon of Doom Surely you won't fall for his trap again Surely you won't lose days of your life in a crazy dungeon trying to rescue people and find an exit How many times did you die last time And when you come back the real world gets really missed up Don't go Don't pick up this book There are many ways to succeed but even more ways to die After all this is Return to Dungeon of Doom not Return to Ultra Peaceful Happy Underground Walk of Absolutely No Danger You Say Which Way books can be read in any order The big list of choices makes it easy to find story lines you haven't read yet Have you read all these You Say Which Way adventures Dragons Realm Dungeon of Doom Deadline Delivery Mystic Portal Stranded Starship Once Upon an Island In the Magician's House Pirate Island Lost in Lion Country Between the Stars Secrets of Glass Mountain Volcano of Fire Danger on Dolphin Island Missing Cat Mystery Dinosaur Canyon Island of Giants The Sorcerer's Maze Adventure Quiz The Sorcerer's Maze Jungle Trek The Sorcerer's Maze Time Machine Or check out the You Say Which
