## **Dust A Creations Reader:**

*Reading Genesis 1-2* J Daryl Charles, 2013-10-03 Today's evangelical community faces a multitude of questions about the creation of the cosmos and the beginning of human history and quite naturally we look to the Bible for answers about the origins and meaning of human history But what are we to do with the stories in the first two chapters of Genesis Reading Genesis 1-2 An Evangelical Conversation brings together the voices of five prominent evangelical scholars who take on difficult interpretive questions that arise from reading the Bible's first two chapters Richard Averbeck Todd Beall John Collins Tremper Longman and John Walton offer their perspectives in a point counterpoint style Drawing on a wealth of theological linguistic and historical expertise this collection is characterized by a close attention to the biblical text and a mutual respect that often sorely lacks in the discussion of origins in the modern evangelical world Contributors Richard Averbeck Todd Beall C John Collins Jud Davis Victor P Hamilton Tremper Longman III Kenneth J Turner John Walton

Borg, 2009-10-13 Reading the Bible Again for the First Time provides a much needed solution to the problem of how to have a fully authentic yet contemporary understanding of the scriptures Acclaimed author Marcus J Borg reveals how it is possible to reconcile the Bible with both a scientific and critical way of thinking and our deepest spiritual needs leading to a contemporary yet grounded experience of the sacred texts Using a method of analysis he calls historical metaphorical Borg explores what the Scriptures meant to the ancient communities that produced and lived by them He argues that the conventional way of seeing the Bible's origin authority and interpretation is no longer relevant to contemporary readers and that we need a fresh way of encountering the Bible one that takes the texts seriously but not literally This unique book invites readers of all religious backgrounds to
