*Dust Devil Dan* Jacqueline Joyce, 1997-06-01      **Powerless** Richard L. Smith, 2011-10-05 Life is business as usual for two families in very different parts of the United States Peter Dexter and his wife Judy raise a family and run a successful farm in North Dakota while Dan and Nora Justin do their best to keep their kids in line in California The families have been friends for years and face different challenges when a Corona Mass Ejection from the sun cuts off all electrical power across the nation The loss of power in America generates chaos throughout the country Electricity Gone Mass transit Out of service Emergency services Unavailable The United States is cast into a new Dark Age and the Dexter and Justin families struggle to survive despite danger and difficulty Meanwhile in a distant land enemy forces plot revenge Radical Islamic terrorists see the power outage as a divine gift Now they have their chance to destroy America and replace it with an Islamic government Threatening the use of atom bombs the terrorists try to gain control of the weakened American government They strive to establish a caliphate on American soil while civilians are busy avoiding violence and food shortages Is there any hope for our powerless country As the two families struggle to survive a teenager will courageously fight to save the lives of thousands and become the object of a jihad      *The El Paso Red Flame Gas Station* J. Reeder Archuleta, 2022-05-17 The El Paso Red Flame Gas Station is a collection of interconnected short stories about the coming of age of a young boy Each story is a chapter in the life of its main character a young boy named Josh that take place in a small unnamed Texas town The author surrounds Josh with colorful and charismatic characters whose own stories come to life in each chapter In the gothic La Tormenta a wife s infidelity sparks macabre bloodshed In Old Dan s Lament the life of a reclusive bookish ranch hand who was maimed in the Korean War becomes grotesquely immediate During Homecoming the actions of the football game are narrated from the perspective of one who has an in depth knowledge of the game Realistic plain spoken dialogue drives the characters and action in these stories Intimate understandings of the settings are evident in the depth of the descriptions and the emotional content of each story The El Paso Red Flame Gas Station is a lovingly rendered portrait of Texas      *Gideon's Chariot* Harlan Wygant, 2013-03 Gideon s Chariot is a novel that crosses genre boundaries in a wonderfully unexpected way Starting out it reads like a hard nosed crime novel then the author phases in a bit of science fiction to keep you on your toes and then just as you think you re getting your bearings faith is questioned devotion repentance the end of days The characters that Wygant has created are very three dimensional Their back stories personalities and physical characteristics are well established and consistent and individual enough to be memorable The relationships between the characters also seem strongly believable Gideon s Chariot is a good read with a unique and interesting concept Who is Gideon an angel or an alien If alien does this call into question our societal or religious belief in angels What if scripture was based on beings who were thought to be divine but who were actually extraterrestrial Janet Layberry Professional editor      **The Rocky Mountain Heiress Collection** Kathleen Y'Barbo, 2012-12-04 Take a trip back to the nineteenth century Wild West in these
