Dustbin Baby:

Dustbin Baby Jacqueline Wilson, 2008-10-14 April knows she was abandoned in a rubbish bin as a newborn baby fourteen years ago. Now she's happily settled with her foster mother Marion but there's a part of April that's desperate to know where she really came from and who she really is. If only she could remember her real mother or even find her. An engrossing, engaging and highly moving novel from the acclaimed bestseller Jacqueline Wilson. *Dustbin Baby* ICK, 2001-10. Discovered as a newborn baby in a dustbin, April's life has never been easy. Moved from place to place, she has little sense of who she really is. After a row at home on the morning of her 14th birthday, April storms out determined to look back at her past and find out where she really comes from. ***Dustbin Baby and Other Girls Fiction*** Steck-Vaughn, 2003-05-01 **My Sister**

Jodie Jacqueline Wilson, 2013-09-26 There's no one quite like my big sister Jodie. Quiet, cautious Pearl has always adored her bold, brash, bad big sister Jodie. When their parents get new jobs at a grand, fusty old boarding school, Melchester College, the girls have to move there and when they arrive, things start to change. Jodie has always been the leader, but now it's Pearl who's making new friends. Jodie just seems to be getting into more and more trouble, arguing with Mum, scaring the little children, flirting with the gardener. She really doesn't fit in with the posh teenagers at the school. Pearl begins to wonder if she needs Jodie as much as she used to. But when Firework Night comes around and a tragic event occurs, Pearl realises quite how much Jodie means to her. A touching, powerful story from the mega bestselling Jacqueline Wilson, told with warmth and sensitivity.

The Confessions Of Rapists Ankit Mistry, 2021-06-11 Once in a lifetime, I have the willingness to meet a rapist. You must wonder why you should. Don't you feel there is no need for a human to reach that level of insanity? Why do people attempt rape? Have you ever questioned? Rapists don't come from any other planet; they are born among us. The rape is a product of ignorance, the society, and the system is equally responsible for such crime that is full of insanity and brutality of a human behavior. Rapes have been constantly ignored by naming it as an incident. In fact, the rape can never be an incident. It is a malfunctioning of a human behavior which was ignored at first place. Jacqueline Wilson Lucy Pearson, 2015-11-23

Over the last 20 years, Jacqueline Wilson has published well over 100 titles and has become firmly established in the landscape of Children's Literature. She has written for all ages, from picture books for young readers to young adult fiction, and tackles a wide variety of controversial topics such as child abuse, mental illness, and bereavement. Although she has received some criticism for presenting difficult and seemingly adult topics to children, she remains overwhelmingly popular among her audience and has won numerous prizes selected by children, such as the Smarties Book Prize. This collection of newly commissioned essays explores Wilson's literature from all angles. The essays cover not only the content and themes of Wilson's writing but also her success as a publishing phenomenon and the branding of her books. Issues of gender roles and child carer relationships are examined alongside Wilson's writing style and use of techniques such as the unreliable narrator. The book also features an interview with Jacqueline Wilson herself, where she discusses the challenges of writing social realism.
