River,2023-04-13 A Hustler s journey is not your average thug tale or love story It is an amalgamation of both It is loosely based on the life of David a Bronx born native from adolescence to adulthood In the mid 80 s at the start of the crack era David s family traveled south to visit his relatives and brought his childhood friend Chris While out there David was mesmerized in the difference of the drug game compared to New York They decided to go back and capitalize off the price difference Within their travels back and forth on the interstate he became highly successful He was able to obtain flashy cars and jewelry David had altercations out of town that he dealt with conscientiously that propelled his status even more He was looked at as a ghetto celebrity His notoriety made him irresistible to women His success fed his ego With that ego he developed a cavalier and cocky attitude He was able to engage with women sexually at his leisure escalating to freakish and dominating escapades David finds out later as he s evolving into a man that that lifestyle may have altered his love life He has to reflect on his past relationships and focus on present relationships to help with his journey to finally making love
