Dying For Tomorrow:

Dying for Tomorrow Michael Moorcock, 1978 *YOU MIGHT DIE TOMORROW* Kate Manser, 2020-02-28 Are you living under the assumption that you'll have time to do the things you want to do later in life? Forget the idea that death is morbid and start using it as your greatest motivation to live your best life while you're still alive. Whether your dream is to quit your job, travel the world, be more present with your children or partner, or just really enjoy your life, remembering that you might die tomorrow is the perspective you need to start really living before you die. This book offers entertaining stories, engaging studies, and powerful strategies all to help you face your fear of death and light the fire in your gut to live your most meaningful life. How Kate went from living in fear of death to making it her close friend and best source of clarity. How to hack your fear of death for your benefit using the psychology of mortality awareness. The life prioritization exercise that will help you zero in on how you want to live and give you the motivation to start today. Inspiring, motivating, and honest. **BRAD MONTAGUE** Creator of Kid President. An intelligent, funny, and motivating book. I recommend it to my patients and use it for my own growth. **JESSICA COOPER** PsyD, Trauma Psychologist What Would I Say Today If I Were to Die Tomorrow? Orest Stocco, 2002. *WHAT WOULD I SAY TODAY IF I WERE TO DIE TOMORROW* gives readers more than a glimpse into the mind and life of a New Age Thinker. *WHAT WOULD I SAY TODAY IF I WERE TO DIE TOMORROW* was inspired by the tragedy that terrorized America on September 11, 2001, says author Stocco. Realizing how vulnerable we really are, I was moved by the tragedy to tell the story of my spiritual quest for the answer to the meaning and purpose of life. Orest Stocco conveys his inspirational messages through in-depth depictions of his personal relationships and life experiences. In true-to-life scenarios, he interacts with colourful personalities, all of whom have distinct foibles and strengths. What may appear to be coincidental encounters turn into ideal opportunities to share his messages of spiritual enlightenment. As one might expect, however, his insights are embraced by some and rebuffed by others. Having explored ideas and belief systems from many teachings, Mr Stocco reveals his own spiritual philosophy in this true account of his healing journey. His provocative and at times controversial insights clearly reflect his newfound priorities in life and form the foundation for each chapter of *WHAT WOULD I SAY TODAY IF I WERE TO DIE TOMORROW*. Woven into the text of his daily life is the story of one man's spiritual quest that answers the question that is central to every person's life: Who am I? says author Stocco. The author is not afraid to defy conventional thought regarding spiritual matters or tackle head-on the spiritual questions many of us are afraid to ask. Mr Stocco's beliefs and the process by which he develops his philosophy of life are clearly defined. While he may appear brash and forthright at times, he is equally honest and sincere in his desire to educate and enlighten those around him. Similarly, he is very candid when sharing his own private spiritual experiences and revelations. **Since I Could Die Tomorrow, Volume 2** Sumako Kari, 2024-02-01.
