**Dying to Be Alive** Linda Bonnington Vocatura, 2005-11 Born of the author's personal experience as well as her studies in Jungian psychology this book takes the fundamental ideas in *Healing the Wounded God* which Vocatura co-authored with Jeff Raff and applies them to life's most important challenge developing soul consciousness by becoming reconciled with the inevitability of one's death Through folk stories dreams and active imaginations we come to know Death as a personified entity who announces Itself and who we subsequently get to know as our guide from Here to Elsewhere and beyond to the Divinity existing in the infinite space outside our created world Vocatura discusses how Death can be a partner in the journey to individuation and in working with the ally a psychoidal manifestation of the divine center Through this teaching we can become aware of our immortal essence Vocatura's ideas have collective implications as she sheds new light on the apocalypse predicted in Holy Scripture This book is a perfect blend of psychology and modern mysticism that will provide comfort and hope to those who are literally facing death as well as inspiration for all of us to live life more consciously and never fear death again

**Sickness and Divine Healing** David A. Hart, 2001-02-16 Sickness Affliction No one is exempt In some manner these will touch our lives either personally or in someone we know When sickness and affliction occurs we have questions such as Why is this happening God Are You angry with me Have I done something wrong Are You going to heal me If I'm not healed does it mean You don't love me or care about me How much faith do I need before I'm healed Isn't it Your will that everyone is healed Did Satan cause my sickness Did I cause this problem This book is what you need if you have been looking for answers to these questions Has God changed Does God cause sickness and pain in anyone Is it ever God's will to not heal Is lack of healing due to lack of faith Does everyone honestly want to be healed Can we prevent our healing Should we claim to be healed if it is apparent we are not Were the stripes Christ suffered meant for our physical healing or were they meant for our spiritual healing Is anointing the sick with oil important What is the most important healing The truths in this book are long overdue It is time that false teachings are exposed and Biblical truths are presented Personal opinions and biased answers are not what the sick and afflicted need They need Biblical answers and they will find the answers in this book
