Dying to Tell Keri Beevis, 2025-10-30 I survived the car crash But someone is determined I won't survive the truth I was the only one who survived the crash Everyone keeps telling me I'm lucky to be alive but it doesn't feel like it My memory of that fatal night is blurred I have more questions than answers And now strange things have begun to happen Unsettling incidents that make me question whether I am truly safe When I first cross paths with Jack Foley he is grieving still reeling from the shock of his sister Stephanie's death He is convinced I am to blame But when I hand him a locket I found his anger shifts to suspicion What really happened on that fateful night And why does it feel like someone doesn't want us uncovering the truth
