Generative AI for Effective Software Development Anh Nguyen-Duc, Pekka Abrahamsson, Foutse Khomh, 2024-05-31 This book provides a comprehensive

empirically grounded exploration of how Generative AI is reshaping the landscape of software development. It emphasizes the empirical evaluation of Generative AI tools in real world scenarios offering insights into their practical efficacy, limitations and impact. By presenting case studies, surveys and interviews from various software development contexts, the book offers a global perspective on the integration of Generative AI, highlighting how these advanced tools are adapted to and influence diverse cultural, organizational and technological environments. This book is structured to provide a comprehensive understanding of Generative AI and its transformative impact on the field of software engineering. The book is divided into five parts, each focusing on different aspects of Generative AI in software development. As an introduction, Part 1 presents the fundamentals of Generative AI adoption. Part 2 is a collection of empirical studies and delves into the practical aspects of integrating Generative AI tools in software engineering, with a focus on patterns, methodologies and comparative analyses. Next, Part 3 presents case studies that showcase the application and impact of Generative AI in various software development contexts. Part 4 then examines how Generative AI is reshaping software engineering processes, from collaboration and workflow to management and agile development. Finally, Part 5 looks towards the future, exploring emerging trends, future directions and the role of education in the context of Generative AI. The book offers diverse perspectives as it compiles research and experiences from various countries and software development environments. It also offers non-technical discussions about Generative AI in management, teamwork, business and education. This way, it is intended for both researchers in software engineering and for professionals in industry who want to learn about the impact of Generative AI on software development.

Proceedings of The 5th International Conference on Linguistics and Cultural Studies 5 (ICLC-5 2024) Muhammad Hasyim, Mardi Adi Armin, Yusuf Yusuf, 2025-05-19. This is an open access book. Research and teaching activities in the fields of language, literature and culture are still being carried out even during the Covid 19 era that hit the world. It is undeniable that the results of research and learning of language, literature and culture at this time were a bit hindered because most activities were carried out from home. During the Covid 19 period which started in early 2020, practically more activities were done at home. Likewise, institutions during the Covid 19 era were carried out online. For example, the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online. Various events are packaged creatively and innovatively to produce a new spirit in speaking. Research and teaching of language, literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments. Covid 19 has inspired many in research on language, literature and culture. In the field of language, you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection, ODP, People Under Monitoring, confirmed cases, a person who is late known to be infected with Covid 19 etc. That's the content. Content on YouTube about the use of language is a hot object of research to

research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government's role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar

Decoding Generative AI Farabi Shayor, Kelina Lowther-Harris, Kirthana Srinivasan, Anoushka Samanta, 2024-04-16 The emergence of Generative AI has marked a significant turning point heralding a new age of innovation and intellectual exploration Much like a compelling narrative this advancement in artificial intelligence has captivated the global community and ushered in an unprecedented surge of innovation For many years the subtle hum of AI has been interconnected into the fabric of our society Devices such as Echo Alexa and Google Home once considered avant garde are now seamlessly integrated into our homes and vehicles becoming essential navigators in our daily journeys However this new phase of AI evolution is distinct Capable of enhanced ability these new generative AI systems could easily discern the intuitive needs of their end users With a mere command or a simple image generative AI systems can draft comprehensive reports write legal documents or produce intricate visual masterpieces Their proficiency can also be extended to routine and mundane tasks smoothly managing administrative duties writing correspondences and providing invaluable support in professional settings Although these foundation models require a vast amount of training data and billions of parameters to be effective the outcomes are equally remarkable Technology companies and investors recognising the potential embarked on an investment spree steering a new era for the development of specialised models such as Microsoft CoPilot Midjourney ChatGPT and so on As these technology companies continue to improve their language models each version seems to be more refined than its predecessor Foremost among these are the Large Language Models LLMs emblematic of this AI renaissance Now with voice activated capabilities generative AIs have become capable of much more in the relatively short span of their existence With the integration of voice activated features combined with their capabilities to speak like a human being their potential continues to grow exponentially They aren't labelled as chatbots anymore these AI systems signify a technological paradigm

shift reshaping humanity's understanding of technology automation and creative expression However with such shift comes the imperative need for governance and control The unchecked expansion of AI poses unmitigated challenges In reality these advanced AIs have the potential to be transformative and destructive parallelly Thus it is necessary to establish guidelines and oversight to ensure the ethical deployment of such systems which this book focuses on As society stands at this transformative crossroads parallels are being drawn to the imaginative world of fiction The concept of Jarvis AI from the fictitious world appears provocatively close to becoming a reality The epoch of generative AI has truly dawned promising a future where technological prowess and human aspiration unite Writing Skills for University Sue Reeves,2025-11-05
