**Focus on LinkedIn** Richard G. Lowe Jr., 2016-11-21. Dramatically increase the amount of clients, income, and career potential. Discover the secrets of writing better, more powerful LinkedIn profiles that will attract more connections, job offers, higher-paying clients, and leads for your business. Are you worried you aren't advancing fast enough in your career? Concerned that you might be leaving money on the table? Are you stuck in a boring, unrewarding job? Or would you prefer job opportunities and business leads that come to YOU, offering to employ YOU or pay YOU money by learning to write your own LinkedIn profile that attracts the correct people directly to your inbox? I have been where you are today. I worked in unsatisfying jobs for employers that didn't care and wouldn't reward good and competent service. I remained in positions for years, sending out thousands of resumes, hoping that someone would recognize my value. What pulled me through was lots of study, specialized training, and practice. More importantly, I believed in myself and the value I could provide to employers and customers for my products and services. At first, I was happy to find a new client, now and then, to make some extra money. Later, I discovered how to promote myself effectively, and those customers started coming to me. Instead of wasting time day after day fruitlessly searching, they sent me emails asking demanding my services, products, and employment. Here is what you'll learn inside **Focus on LinkedIn**. Understand the unique importance of LinkedIn. You have found one of the best ways to get employers and clients to come to you. Best of all, they'll be pre-qualified leads for the most part, which means they are ready to hire or buy your products and services. Increase your qualified leads by targeting your LinkedIn to the right audience. Decrease the time you spend fruitlessly searching for anyone who will buy your products or services or offer you a position in their company. Explode the size of your professional network by spending as little as a few hours optimizing your professional brand on LinkedIn. Define
