Man Up Cynthia Miller-Idriss, 2025-09-16 The revelatory and urgent story of how an explosion of misogyny is driving a surge of mass and far right violence throughout the West from an internationally recognized extremism expert and media commentator What two things do most mass shooters terrorists or violent extremists have in common Most of us know the first they are almost always men or boys But the second They are almost always virulent misogynists homophobes or transphobes even if they are also motivated by racism antisemitism or xenophobia The antigovernment militiamen charged with plotting to kidnap and execute Michigan governor Gretchen Whitmer used language saturated with misogyny with one telling an FBI informant Just grab the bitch The men who killed scores at Virginia Tech the Pulse nightclub and a Maryland newsroom all had prior reports of stalking domestic violence or harassment of women And in dozens of other incidents from North America to Norway to New Zealand an increasing number of misogynist incel involuntary celibate and male supremacist attackers have explicitly targeted and killed women blaming feminism or sexual frustration with women as motivation for their attacks Yet despite all evidence the bright red thread of misogyny running through these attacks is barely acknowledged by the media or even experts and this failing leaves us powerless to stop the violence In Man Up Cynthia Miller Idriss a leading expert on extremism addresses this crucial oversight head on revealing how an epidemic of misogyny both online and off and a patriarchal backlash are driving an exponential rise in mass and far right violence She also offers essential strategies that all of us including parents teachers and counselors can use to fight the rising tide of violence beginning with recognizing the misogyny that pervades our everyday lives Christian Writers'

Market Guide 2006 Sally E. Stuart, 2006 For more than twenty years the Christian Writers Market Guide has offered indispensable help to Christian writers The 2006 edition includes up to date listings of over twelve hundred markets for books articles stories poetry greeting cards and more including information on forty new book publishers eighty three new periodicals and thirty four new literary agents

Emotions Online Alan Petersen, 2022-12-30 Digital media have become deeply immersed in our lives heightening both hopes and fears of their affordances While the internet mobile phones and social media offer their users many options they also engender concerns about their manipulations and intrusions *Emotions Online* explores the visions that shape responses to media and the emotional regimes that govern people's engagements with them This book critically examines evidence on the role of digital media in emotional life Offering a sociological perspective and using ideas from science and technology studies and media studies it explores The dimensions and operations of the online emotional economy Growing concerns about online harms and abuse especially to children Deepfakes and other forms of image based abuse The role of hope in shaping online behaviours Digital well being and its market COVID 19's impacts on perceptions of digital media and Big Tech Growing challenges to centralised control of the internet and the implications for future emotional life The book breaks new ground in the sociological study of digital media and the emotions It reveals the dynamics of online emotional regimes showing how deceptive designs and algorithm driven technologies serve to attract and engage users As it argues digital media rely on the emotional labours of many people including social media influencers and content moderators who make the internet seem smart The book provides an invaluable overview of the evidence and debates on the role of digital media in emotional life and guidance for future research policy and action
