So how do you make sure your brand connects with consumers? *Branding that Means Business* draws from the authors' experience and business literature, as well as psychology, sociology, and even anthropology, to show readers that while any brand serves the business, the mechanisms that enable it are all about connecting with people. Readers will learn how to create, maintain, and operationalize their brand and think creatively about how to differentiate their product and, most importantly, make consumers fall in love with it.
