[The Routledge Handbook of Political Communication in Ibero-America](#) Andreu Casero-Ripollés, Paulo Carlos López-López, 2024-10-31. The Routledge Handbook of Political Communication in Ibero-America addresses the relationship between communication, politics, and digital technologies in Latin America and the Iberian Peninsula, a geographical space linked by social, cultural, and linguistic aspects. In recent years, digital media have been central in the dialogue established by political parties, institutions, the media, and citizens. In this hybrid space, certain phenomena have emerged that are of interest, particularly in the Ibero-American landscape, including disinformation and fake news, protests on social media, the organization of social movements, the relationship between the press and the state, political participation, populism, the role played by emotions and memes, the impact of AI and platformization on politics, and topics of debate in the public sphere. This Handbook is structured into nine parts, beginning with a historical contextualization and then exploring central aspects of the discipline. It then goes on to study trends at the regional level, increasing knowledge about how political communication and digital technologies are changing multiple aspects of Ibero-American societies where political communication plays a fundamental role, especially in electoral processes.

with its consequent effects on democracy This Handbook will be of interest to academics students and professionals in the fields of political science communication journalism advertising marketing and sociology as well as public opinion consulting It will be of particular interest to undergraduate and postgraduate students from Latin America Portugal and Spain **The Shoe That Fell from Uranus (An Inspiring Kids Book on Google Play Books)** Srinidhi Ranganathan, When fourteen year old Pankaj loses his favorite shoe during a school trip near Uranus he thinks it s gone forever lost to the infinite darkness of space But across the solar system a kind hearted alien navigator named Giddy discovers the drifting shoe and makes an extraordinary decision to journey billions of kilometers across the cosmos to return it to its rightful owner What follows is a heartwarming adventure about unexpected friendship the universal language of kindness and the magic that happens when two beings from different worlds connect over something as simple as a lost shoe Perfect for teen readers I Lost My Shoe in Uranus is a touching tale that combines the wonder of space exploration with a timeless message that compassion knows no boundaries that help can come from the most unexpected places and that sometimes the smallest acts of kindness create the biggest magic A story that will make young readers believe in the goodness of the universe and leave them with a smile that lasts long after the final page A delightful cosmic adventure with heart *Computer-Mediated Communication* Caleb T.
