[The Case for Critical Literacy](#) Alice S. Horning, 2024-08-15. The Case for Critical Literacy explores the history of reading within writing studies and lays the foundation for understanding the impact of this critical yet often untaught skill. Every measure of students' reading comprehension, whether digital or analog, demonstrates that between 50 and 80 percent of students are unable to capture the substance of a full discussion or evaluate material for authority, accuracy, currency, relevancy, appropriateness, and bias. This book examines how college-level instruction reached this point and provides pedagogical strategies that writing instructors and teachers can use to address the problem. Alice Horning makes the case for the importance of critical reading in the teaching of writing with intentionality and imagination while sharing glimpses of her own personal history with reading and writing. Horning provides the context for understanding what college faculty face in their classrooms and offers a history of critical literacy that explains why to date it has mostly been neglected or ignored. The diverse statuses of students' reading challenges. The Case for Critical Literacy explores actionable options to better meet students' literacy needs. College and university faculty, especially writing instructors, will benefit from an understanding of what has happened in the field and what needs to change.

*The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07. More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation, and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.
