The List Building Multiplier Mark Dean,2011-05-02 Set up the system and people will use it That s what this book will help you with a system that performs multiplication to help you build up not just one but multiple mailing lists so that you can have a massive list of customers to communicate to and sell your products to A list building multiplier sounds too good to be true but it works You might even be on someone s list without intentionally meaning to The system is a little known online marketing tactic It s not

illegal and it's not a conspiracy because you're actually giving people valuable information in exchange for their contact details. The valuable information you offer is important to them and they get something beneficial out of it. It costs you a lot of time and effort and some money to put it together for them and all you're asking for in return are their name, an email address, and a confirmation of their subscription. Those contact details are vital to you; they are a veritable goldmine because any one person in that list is a potential customer and is the key for you to make huge profits in this business. You need many contact lists to identify more potential customers. That's why you need a list building multiplier to help you get people to give you their contact details for free. This book will help you set up the system.
