**Content Strategy at Work** Margot Bloomstein,2012-01-25 Content is king and the new kingmaker and your message needs to align with your model and metrics and other mumbo jumbo right Whether you re sloggng through theory or buzzwords there s no denying content strategy is coming of age But what s in it for you And if you re not a content strategist why should you care Because even if content strategy isn t your job content s probably your problem and probably more than you think You or your business has a message you want to deliver right You can deliver that message through various channels and content types from Tweets to testimonials and photo galleries galore and your audience has just as many ways of engaging with it So many ways so much content so where s the problem That is the problem And you can measure it in time creativity money lost opportunity and the sobs you hear equally from creative directors project managers and search engine marketing specialists The solution is content strategy and this book offers real world examples and approaches you can adopt no matter your role on the team Put content strategy to work for you by gathering this book into your little hands and gobbling up never before seen case studies from teams at Johns Hopkins Medicine MINI Icebreaker and more Content Strategy at Work is a book for designers information architects copywriters project managers and anyone who works with visual or verbal content It discusses how you can communicate and forge a plan that will enable you your company or your client get that message across and foster better user experiences Presents a content strategy framework and ways to implement in both in house marketing departments and consultancies Includes case studies interviews and lessons learned from retail apparel network television business to business automotive non profit and higher ed brands Details practical sales techniques to sell content strategy and use content strategy processes to sell other services and larger projects

**Brand, Meet Story** Heather Pemberton Levy,2016-10-04 Think of the last great article you read or the last great speech you heard Chances are if you remember one key message you also remember one compelling story That s because the best content starts with a story When it comes to marketing the best business content starts with a story the audience cares about not the brand s message about what it wants to sell them In Brand Meet Story Heather

Pemberton Levy describes the Story Comes First method a practical approach that combines techniques from journalism and fiction writing to help brands tell stories that put the readers interests first Whereas most brand marketers create content to sell their product service or technology the Story Comes First method turns this approach on its head to create content with the human moments that truly engage an audience Filled with examples from Levy s experience creating content marketing programs trade books and hundreds of articles for a variety of B2B and B2C brands the book shows readers a step by step approach to create content designed to deliver business results Brand Meet Story explains the key ways to uncover what your audience cares about and how to turn brand messaging into stories that matter Levy inspires readers to develop a compelling voice that will carry the brand tone and values across all channels and helps them turn their ideas into engaging story driven content their audiences will read love and share

Content Strategy Prabhu TL,2024-12-02 In today s digital first world content is king but a throne is useless without a strategy Content Strategy Mastering the Art of Creating Distributing and Scaling Impactful Content is your ultimate guide to navigating the complex landscape of content creation and management Whether you re a seasoned marketer a small business owner or a content creator this book equips you with the tools and techniques to craft content that captivates your audience and achieves your goals Content has evolved far beyond traditional marketing It s about building trust sparking meaningful conversations and driving measurable results This book bridges the gap between creativity and strategy offering a step by step roadmap to turn your content into a powerhouse for growth From understanding your audience to leveraging cutting edge trends like AI personalization and interactive content this comprehensive guide covers it all
