Geography of Time, Place, Movement and Networks, Volume 4 Stanley D. Brunn, 2024-05-23 This book provides insight into the importance of place and place settings in personal journeys It explores the worlds of time journeys in different contexts daily work community livelihoods rural urban migration disease outbreaks and controls cruise ship tours and isolated frontier settings Besides this the book also addresses the networks connecting rural and urban places transcontinental highways and railroads rural urban migration and other innovative journeys such as gas station road maps and body maps The chapters also discuss how eradicating diseases are time place journeys as is moving from a distant isolated frontier to a metropolis As such this book is a must read for those interested in exploring the intersections in and between the humanities and social policy sciences

Summary of Remote SellWave Audio, 2025-11-14 Remote makes a compelling case for why working from home or from anywhere outside the traditional office can be one of the smartest moves for both organizations and employees Jason Fried and David Heinemeier Hansson draw on their experience building Basecamp to show that productivity collaboration and professional excellence don t depend on sharing the same physical space With technology now capable of bringing teams together across any distance they argue that the old under one roof model is no longer the default Instead the modern approach is to bring the work to the worker not the other way around The authors explore how remote work expands a company s access to talent reduces costs lowers turnover and allows teams to operate effectively across time zones But they also focus on what remote work means for individuals the freedom to choose

roles based on passion and skill rather than location the ability to design a healthier work life balance and the chance to be more focused and productive by eliminating office distractions They highlight how remote setups can empower workers to structure their days for deeper concentration and greater satisfaction Beyond the larger argument Remote offers practical experience backed guidance for making off site work successful It addresses concerns managers often have about communication trust and accountability while giving workers strategies to stay organized motivated and connected The book also clears away misconceptions about remote teams proving that distance doesn't weaken performance it can strengthen it when handled well Whether you're a leader considering a shift to virtual work or an employee seeking more flexibility without sacrificing professional impact Remote provides the insights and tools needed to thrive in a world where work is no longer tied to a single location
