Write Like You Teach James M. Lang, 2025-05-09 This engaging guide offers practical advice to teachers on how to utilize their existing classroom skills to become more effective public writers After years spent cultivating their expertise and passion for a subject scholars are uniquely positioned to write great books Yet accustomed to writing for an audience of their peers many scholars find it challenging to adapt their writing to a style that is accessible and engaging to the general public James M Lang argues that academics are regularly called on to pitch their research to a general audience their undergraduates If only there were a way to translate the skills they use in the classroom into their writing In *Write Like You Teach* Lang a veteran writer and teacher distills the elements of good classroom teaching into guidelines for writing for a general audience He encourages authors to pay attention to how their readers learn and to embrace exploration experimentation and creativity in their writing Lang asks his readers to consider

the questions that all great teachers ask themselves How will I get the attention of my students How do I make them curious about the subject What stories or examples will illustrate the more difficult concepts or theories in the course When will I pause in the class and give students a break from hard thinking What will I do at the end of the class to remind students about my key messages and leave them wanting to know more Write Like You Teach includes examples from successful writers and useful anecdotes from Lang s own classroom and writing career Indeed Lang takes his own advice to heart like a good teacher he varies the form of each chapter making sure to introduce some surprises to keep the reader engaged Each chapter ends with writing prompts to help readers practice their newly acquired skills and an appendix provides additional advice on publishing and promoting one s work Teachers who follow Lang s suggestions will find new ways to connect with their readers and like any good student they will never approach writing the same way again *To the Point* Robert Hartwell Fiske,2014-03-17 The essential guide to writing succinctly Who doesn t hate wading through wordy paragraphs Unfortunately many writers don t realize when they are padding their sentences and obscuring their meaning Enter *To the Point* the essential guide to writing succinctly Featuring hundreds of new entries this freshly updated edition is complete with A guide to the basics of writing concisely including how to reduce the number of words in a phrase substitute a single word for a phrase and delete extraneous words and phrases *The Dictionary of Concise Writing* which gives concise alternatives to thousands of wordy phrases Language expert Robert Hartwell Fiske uses each wordy phrase in a sentence and then rewrites or deletes the phrase entirely to show how the sentence can be improved The brand new *Guide to Obfuscation A Reverse Dictionary* which helps writers build a more pithy vocabulary *To the Point* is the perfect reference book for anyone who wants to communicate more effectively through clear and beautiful writing [Musical America](#) ,1916
