Bye Bye Baby:

Bye-Bye Baby Brother! Sheena Dempsey, 2013-04-23 Tiring of a newborn sibling who demands all her busy mother's attention Ruby gets bored with endless solo activities and imagines creative ways to make her baby brother disappear adventures that become so much fun that she decides to tag along A first picture book Bye-bye, baby!.. Виктория Евгеньевна Платова, 2007 Bye-Bye, Baby! Richard Morris, 2009-09-01 Felix is not happy about his new baby sister In fact he thinks she should be sent back to where she came from That's when a trip to the zoo inspires some creative solutions to his problem but Felix will need some animal participation for his plans to work Expertly brought to life by award winning illustrator Larry Day this quirky tongue in cheek take on the new baby in the house is sure to entertain parents and children alike and will help any older sibling realize that sometimes even little sisters can come in handy Can You Wave Bye Bye, Baby? Elyse Gasco, 2011-01-14 Daring tough and darkly humorous these linked stories have at their centre the relationship between parents and children As devastating in their emotional honesty as they are poignant and wise these stories map the intricate terrain of adoption and birth and look at the lives we make for ourselves in the universal search for who we are Among them a girl is abducted by a man claiming to be her father a distraught mother finds herself fabricating a past for her adopted teenaged daughter a woman is haunted by her birth mother's ghostly visitations a new mother is overtaken by a feeling of alienation as gradually her world becomes as empty as she feels her heart to be Uniquely imagined vividly describing the world we inhabit Can You Wave Bye Bye Baby introduces a bold new literary voice Bye Bye, Baby Max Allan Collins, 2012-05-22 It's 1962 and Twentieth Century Fox is threatening to fire Marilyn Monroe The blond goddess hires Nate Heller private eye to the stars to tap her phone so she will have a record of their calls in case they take her to court When Heller starts listening he uncovers far more than nasty conversations **Bye, Baby** Carola Lovering, 2024-03-05 NATIONAL BESTSELLER A March 2024 Indie Next and LibraryReads Pick Powerful relatable and crazily addictive Bye Baby takes an unflinching look at the battling forces of toxicity and love which define so many female friendships I couldn't put it down Rosie Walsh New York Times bestselling author of Ghosted and The Love of My Life Every friendship has its shadow On a brisk fall night in a New York apartment 35 year old Billie West hears terrified screams It's her lifelong best friend Cassie Barnwell one floor above and she's just realized her infant daughter has gone missing Billie is shaken as she looks down into her own arms to see the baby remembering with a jolt of fear that she is responsible for the kidnapping that has instantly shattered Cassie's world Once fiercely bonded by their secrets Cassie and Billie have drifted apart in adulthood no longer the inseparable pair they used to be in their small Hudson Valley hometown Cassie is married to a wealthy man has recently become a mother and is building a following as a lifestyle influencer She is desperate to leave her past behind including Billie who is single and childless and no longer fits into her world But Billie knows the worst thing Cassie has ever done and she will do whatever it takes to restore their friendship Told in alternating perspectives in Lovering's signature suspenseful style

Bye Baby confronts the myriad ways friendships change and evolve over time the lingering echoes of childhood trauma and the impact of women's choices on their lifelong relationships

Love has no expiration The morning Beth packed her bags and walked out of Cole's life was the day he swore the only girl for him would be the six year old who called him daddy He didn't have time for love not between raising his baby girl and trying to figure out what the hell he was going to do with his life But fate has a funny way of coming around and kicking you when you least expect it Cole's new life was no exception As a product of a severely broken home Beth Doan knew better than to ever get married She'd seen what that commitment did to people and she loved Cole McClain too much to let marriage destroy them But the minute she boards that bus she knew she was making the biggest mistake of her life Only maybe she wasn't not when she goes running back home to the only man she ever loved and finds him in the arms of another woman When an unexpected accident throws them together four years later the last thing either anticipated was to become responsible for a little person who needs them a whole lot more than they need their bitterness and hurt feelings Can Cole and Beth forgive and forget long enough to save the life of a child neither one of them predicted falling in love with Or are some wounds just too deep to heal
